But unto you I say, and unto the rest in Thyatira, as many as have not this doctrine, and which have not known the depths of Satan, as they speak; I will put upon you none other burden. But that which ye have [already] hold fast till I come. And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father. And I will give him the morning star. He that hath an ear, let him hear what the Spirit saith unto the churches.

Because of a dream...

For Him

The Dream

In 2004 I had an overwhelmingly vivid dream. I saw the aftermath of a terrible storm. Waters had come in from the Pacific Ocean and almost completely covered Southern California. I saw the water swish and turn violently and could occasionally see, just for a moment, the treetops -- that's how deep the water was. I was then in a car with my friend and we were driving North. The roads could be seen now but so much debris kept us from being able to drive too far. So we walked. We walked North and saw that "townships" were being created by the survivors of this terrible storm. Small groups of people stood together along the road with make-shift signs, small posts in the ground with the names of their new towns written on a little piece of white wood at the tops of the posts. My friend and I continued walking North until we stopped at a small township of survivors whose make-shift sign read "Jehu." We stopped there to stay with them. Then I began to wake up. As I opened my eyes, still asleep/awake, my mouth spoke out loud, "Isaiah 28." Having no idea what was written in this Scripture, I immediately climbed out of bed and went to my Bible to read Isaiah 28.

Here are just the first two verses:

Woe to the crown of pride, to the drunkards of Ephraim, whose glorious beauty is a fading flower, which are on the head of the fat valleys of them that are overcome with wine!

Behold, the Lord hath a mighty and strong one, which as a tempest of hail and a destroying storm, as a flood of mighty waters overflowing, shall cast down to the earth with the hand.

Isaiah 28:1-2

I was shocked! Here's the rest of the chapter:

The crown of pride, the drunkards of Ephraim, shall be trodden under feet:

And the glorious beauty, which [is] on the head of the fat valley, shall be a fading flower, [and] as the hasty fruit before the summer; which [when] he that looketh upon it seeth, while it is yet in his hand he eateth it up.

In that day shall the LORD of hosts be for a crown of glory, and for a diadem of beauty, unto the residue of his people,

And for a spirit of judgment to him that sitteth in judgment, and for strength to them that turn the battle to the gate.

But they also have erred through wine, and through strong drink are out of the way; the priest and the prophet have erred through strong drink, they are swallowed up of wine, they are out of the way through strong drink; they err in vision, they stumble [in] judgment.

For all tables are full of vomit [and] filthiness, [so that there is] no place [clean].

Whom shall he teach knowledge? and whom shall he make to understand doctrine? [them that are] weaned from the milk, [and] drawn from the breasts.

For precept [must be] upon precept, precept upon precept; line upon line, line upon line; here a little, [and] there a little:

For with stammering lips and another tongue will he speak to this people.

To whom he said, This [is] the rest [wherewith] ye may cause the weary to rest; and this [is] the refreshing: yet they would not hear.

But the word of the LORD was unto them precept upon precept, precept upon precept; line upon line, line upon line; here a little, [and] there a little; that they might go, and fall backward, and be broken, and snared, and taken.

Wherefore hear the word of the LORD, ye scornful men, that rule this people which [is] in Jerusalem.

Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through {08675;05674:08804}, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves:

Therefore thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner [stone], a sure foundation: he that believeth shall not make haste.

Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place.

And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it.

From the time that it goeth forth it shall take you: for morning by morning shall it pass over, by day and by night: and it shall be a vexation only [to] understand the report.

For the bed is shorter than that [a man] can stretch himself [on it]: and the covering narrower than that he can wrap himself [in it].

For the LORD shall rise up as [in] mount Perazim, he shall be wroth as [in] the valley of Gibeon, that he may do his work, his strange work; and bring to pass his act, his strange act.

Now therefore be ye not mockers, lest your bands be made strong: for I have heard from the Lord GOD of hosts a consumption, even determined upon the whole earth.

Give ye ear, and hear my voice; hearken, and hear my speech.

Doth the plowman plow all day to sow? doth he open and break the clods of his ground?

When he hath made plain the face thereof, doth he not cast abroad the fitches, and scatter the cummin, and cast in the principal wheat and the appointed barley and the rie in their place?

For his God doth instruct him to discretion, [and] doth teach him.

For the fitches are not threshed with a threshing instrument, neither is a cart wheel turned about upon the cummin; but the fitches are beaten out with a staff, and the cummin with a rod.

Bread [corn] is bruised; because he will not ever be threshing it, nor break [it with] the wheel of his cart, nor bruise it [with] his horsemen.

This also cometh forth from the LORD of hosts, [which] is wonderful in counsel, [and] excellent in working.

Isaiah 28:3-29

I truly had no idea what to do with all of this. My friends and I were putting up tent revivals in Hollywood at the time, so when I visited a prayer meeting in Hollywood, I asked one of the leaders about my dream. He told me to study Jezebel. This book was written in 2004 as a result of my studies and I've added some of what the Lord has been revealing since then.

Preface

The doctrine of Jezebel. The following pages of this book were given by the Word of God and revelation.

When I had my dream, I had never even thought about Jezebel. I know some leaders teach that there is an Old Testament Jezebel and a New Testament Jezebel. They separate them. When the Lord showed me about her, He did not. But I've learned to accept different prophetic people saying different prophetic things. Many years ago, the Lord said to me, *Sit down and write about the Watchmen on the wall*. Surprised, knowing absolutely nothing then about Watchmen, I just stood there in my Mother's kitchen. *Get a pen and paper and write about the Watchmen*, I heard again. So I got a pen and paper and I sat at the kitchen table and I just began to write. I don't know where that piece of paper is now so many years later, but the gist of it is blazened upon my very spirit. "There is a very tall wall surrounding a very great city. It stretches for a thousand miles on the East and on the South and on the West and on the North. The Watchmen *live* on the wall. The people of the city depend on those watching to know who and what is coming and going. The Watchmen on the Northern wall are facing North and may see clouds of glory approaching the city. These Watchmen bring the report of the glory. The Watchmen on the Eastern wall are facing the East and may see a devastating army coming. These Watchmen bring the report of war." And so on. I think the Lord had me write that down so that I would understand that different people see different things and they do not have to cancel each other out. They may not always be, but both can be right. This has helped me tremendously over the years.

So we will look at Jezebel in this book the way the Lord showed me. As a spirit that is neither male nor female. I will refer to "her" as "she", but she often works through men more than she works through women. She is a spirit that infiltrated and joined herself to Israel in the Old Testament and has infiltrated and joined herself to the body of Christ in the New Testament. In both cases, she was invited and a seat of authority was given. We'll first see the underlying truth about historical Jezebel, then we'll bring it all the way to her today, living through her doctrine.

The Marriage

And it came to pass, as if it had been a light thing for him to walk in the sins of Jeroboam the son of Nebat, that he [Ahab] took to wife Jezebel the daughter of Ethbaal king of the Zidonians, and went and served Baal, and worshipped him.

1 Kings 16:31

Here we are with Ahab marrying Jezebel. The union is made -- the marriage of God's people with the worship of Baal. The ceremonial league with darkness has been confirmed. Ahab walked as though his sin was a trivial thing and this lack of the Fear of the Lord led to an unholy union that ruled Israel, ushering her deep into harlotry and idolatry and famine. Ahab and Jezebel, King and "queen" leaders in our Father's Kingdom caused the entire nation to be guilty before the Lord.

Let's look at Ahab and Jezebel. Who are these people? Why do we care today?

"Ahab" means: brother; friend of father. This likely indicates that the son believed in and walked in the ways of his father. Omri, Ahab's earthly father, did evil in the sight of the Lord. He was personally responsible for establishing Samaria. He bought a hill for 2 shekels of silver and he built the capital city of Israel on that hill.

The name "Omri" means: to heap. The root word means: to chastise; pile blows; gather grain. So, according to his name alone, he was likely a wealth builder as well as a huge bully. The Bible says that Omri provoked God to anger by causing Israel to sin with idols, and apparently, he was not gentle about it. Now here is Omri's fruit, Ahab. Omri does not bring up Ahab in the Fear of the Lord, so his son walks in his generational iniquity of idolatry, which results with Ahab yoking himself with Jezebel and ultimately her spiritual father, Baal.

The Word of God says that when we marry, we become one flesh with our spouse.

For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh. This is a great mystery...

Ephesians 5:31-32

Lightly entering into marriage is a tremendous mistake to make, and many volumes of books have been written on the subject of marriage, but mentioning it here for just a moment is important, because it deepens our understanding for where we're going with this.

But he that is joined unto the Lord is one spirit.

1 Corinthians 6:17

Let's see what this scripture is saying by looking at the word "joined." It means: join self; glued together; intimately connected in a soul-knit friendship. The word means more than this but we have enough to understand. When we are intimately connected in a soul-knit relationship with Jesus, we become one spirit with Him. Being one spirit with Jesus Christ, the King over all other kings, Lord of Heaven and Earth and Savior of the World is intensely profound, but the devil works hard to remove the full understanding of this truth from our awareness.

When we are joined with our spouse, we are one too. In a sense, we are one person now. We're glued together - there is no apartness (unless we walk through natural and spiritual steps to break covenant.)

*But from the beginning of the creation God made them male and female. For this cause shall a man leave his father and mother, and cleave (to glue) to his wife; And they twain shall be one flesh: **so then they are no more twain, but one flesh** (emphasis mine).*

Mark 10:6-8

This yoking and joining of two becoming one serves as an entrance to one another's (g)God. There's a reason the Lord instructs us to not be unequally yoked. It's not because He's sitting up in the sky with a whip, cracking out random rules. It's because of the flesh/spirit/soul-tie that happens when we become one with someone, especially someone who is fundamentally different from us and the joining is unsuited.

And it goes further than that.

Remember the sons of God living up on Mount Hermon? They saw the daughters of men and took them for wives? Those sons of God were pure in righteousness, separated in their mountain-top life in the Spirit with the Lord. But they mingled themselves with women (sons of

Cain) down off that mountain. They lusted and sinned by joining themselves with ungodly unbelief and abominable acts.

I know we've been taught that fallen angels mixed with men. It's hard for us to imagine that the Lord could be so adamant about us marrying inside His kingdom alone. But we have more examples...

Remember when Ezra was released from Judah's Babylonian captivity and returned to Jerusalem to rebuild? He found out that the people, including priests, had joined in marriage with foreign women who served false gods. Read the scripture from the book of Ezra.

*Now when these things were done, the princes came to me, saying, The people of Israel, and **the priests, and the Levites, have not separated themselves from the people of the lands, [doing] according to their abominations (something morally disgusting), [even] of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites. For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves** with the people of [those] lands: yea, the hand of the princes and rulers hath been chief in this trespass. And **when I heard this thing, I rent my garment and my mantle, and plucked off the hair of my head and of my beard, and sat down astonished.** Then were assembled unto me every one that trembled at the words of the God of Israel, because of the transgression of those that had been carried away; and I sat astonished until the evening sacrifice (emphasis mine).*

Ezra 9:1-4

In this account, the holy seed has mingled with people ingrained in cultic worship. It happened among humans. And it was enough to cause Ezra to tear his clothes and literally pull out his own beard. He was appalled that the ministers and leaders of the Lord's people had mixed themselves with the spirit of darkness because he understood the mingling. To braid; to traffic; to take on a pledge; exchange. This sounds a lot like the works of Freemasonry, the Illuminati and other secret society offshoots of satanism. Selling the soul; ritualistic vows, pledges of silence. Exchanging our Father for the beast. Like Ahab did with Jezebel and Baal. And that root went deep into the priesthood of Israel.

Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man...

Romans 1:22-23

We also have a similar reaction with Moses and Phinehas.

*And Israel abode in Shittim, and **the people began to commit whoredom with the daughters of Moab.** And they called the people unto the sacrifices of their gods: and the people did eat, and bowed down to their gods. **And Israel joined himself unto Baalpeor: and the anger of the LORD was kindled against Israel.** And the LORD said unto Moses, *Take all the heads of the people, and hang them up before the LORD against the sun, that the fierce anger of the LORD may be turned away from Israel.* And Moses said unto the judges of Israel, *Slay ye every one his men that were joined unto Baalpeor.**

Numbers 25:1-5

Marriage is never just about two people. It's a spiritual union. And the wrong spirit requires abominable sacrificial acts. And don't think you wouldn't partake. A lot of the Lord's people did.

Look a little further at the story in the Book of Numbers.

And, behold, one of the children of Israel came and brought unto his brethren a Midianitish woman in the sight of Moses, and in the sight of all the congregation of the children of Israel, who [were] weeping [before] the door of the tabernacle of the congregation. And when Phinehas, the son of Eleazar, the son of Aaron the priest, saw [it], he rose up from among the congregation, and took a javelin in his hand; And he went after the man of Israel into the tent, and thrust both of them through, the man of Israel, and the woman through her belly. So the plague was stayed from the children of Israel. And those that died in the plague were twenty and four thousand.

And the LORD spake unto Moses, saying, Phinehas, the son of Eleazar, the son of Aaron the priest, hath turned my wrath away from the children of Israel, while he was zealous for my sake among them, that I consumed not the children of Israel in my jealousy. Wherefore say, Behold, I give unto him my covenant of peace: And he shall have it, and his seed after him, [even] the

covenant of an everlasting priesthood; because he was zealous for his God, and made an atonement for the children of Israel.

Numbers 25:6-13

I can hear the voice of Humanism right now. “How brutal!” “What a racist!” You know these accusations against our Father and His Son, our King are coming. Jesus will be ferociously slandered in our generation to the point even His Body will question their own beliefs. But this scripture above tells us that their *joining* with the abominable brought a plague that afflicted and killed 24,000 of the congregation of God. And it took one man, one priest with the understanding and the courage to do something about it.

They joined themselves also unto Baalpeor, and ate the sacrifices of the dead. Thus they provoked [him] to anger with their inventions (abuse): and the plague brake in upon them. Then stood up Phinehas, and executed judgment: and [so] the plague was stayed. And that was counted unto him for righteousness unto all generations for evermore.

Psalm 106:28-31

They ate the sacrifices of the dead. Are they eating the meat of human sacrifice? It sounds like it.

“Baalpeor” means: Baal and the to open wide the mouth; to gape. It also implies to open the bowels.

Therefore hell hath enlarged herself, and opened her mouth without measure: and their glory, and their multitude, and their pomp, and he that rejoiceth, shall descend into it.

Isaiah 5:14

It is my personal belief that CERN is a type of joining with Baalpeor. The Large Hadron Collider may in fact one day open the very mouth of hell. And they know it. They know that the first Heaven of darkness is the prison domain of another dimension. Yes, Shiva’s image has been raised. She’s the god of destruction. But Apollyon’s image is most likely the true power. He is the Destroyer. It’s the same spirit.

*And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power... **And they had a king over them, [which is] the angel of the bottomless pit, whose name in the Hebrew tongue [is] Abaddon (destruction; ruin), but in the Greek tongue hath [his] name Apollyon (the destroying one).***

Revelation 9:1-2, 11

So, you see, joining ourselves with Baalpeor or the daughters of the sons of Cain is not a light matter. It is utter and total destruction, ruin and death. Hell, gaping its mouth wide open to take in the people of God.

And the Lord literally rewarded Phinehas's violent act with a covenant of peace! In this account of ungodly joining, we see that Phinehas functioned as a type of Jehu, redeeming a holy nation from the serpent's voice.

Intermarriage and mingling of the seed will fall into great depths of darkness as the beast gains strength to receive his power at the end. He has already been working hard to become a patriarch of his own image and lineage of trans-mankind. But we know the iron cannot stay mingled with the clay, don't we.

Thankfully, we are citizens of a Kingdom of Grace, whose King is a God of Mercy.

For anyone who finds themselves in an unequally yoked situation -- no condemnation. We have an incredible Redeemer who loves us with an everlasting love. He made a way.

And the woman which hath an husband that believeth not, and if he be pleased to dwell with her, let her not leave him. For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your children unclean; but now are they holy. But if the unbelieving depart, let him depart. A brother or a sister is not under bondage in such [cases]: but God hath called us to peace. For what knowest thou, O wife, whether thou shalt save [thy] husband? or how knowest thou, O man, whether thou shalt save [thy] wife?

1 Corinthians 7:14-16

There is always hope! Cling to this scripture and enter into its great promise if you find yourself in trouble. The Lord's Word is life! There may be however, a very difficult road for the unequally yoked and those joined in ungodly spirit/flesh/soul-ties. When we have a spouse who doesn't love the Lord, his/her god will try to gain entry to our lives and we may battle in areas that we ordinarily might not have to if we were to be married to one who is born of the Spirit of the Lord. The flesh tries to take on attributes of the fallen nature of the spouse it's become one with, therefore much prayer and a continual pressing into the secret place -- that face to face relationship with the Lord must be of highest priority so that we may overcome overwhelming difficulties in the marriage, because the spiritual war will likely rage.

There is victory in Christ Jesus, but that does not necessarily manifest in the natural quickly or without great grief and suffering of the flesh. This is a tremendous issue that the Body of Christ needs to deal with regarding Jezebel. The Book of Revelation which we will look at more closely a little later, makes an outrageous statement.

I [Jesus] have this against you, because you allow [tolerate] that woman [your wife] Jezebel, who calls herself a prophetess to teach and seduce My servants to commit sexual immorality and eat things sacrificed to idols.

Revelation 2:20 (NU-Text)

This is personal. He is referring to us. Not Esau's descendants or the Moabites or the Ammonites. It's the Christians. It doesn't seem to be an issue with the Lord that Jehu was raised up as king to destroy her. It appears He is letting us know that she attempts to remain yoked to His people throughout the ages and the generations. This is a *now* problem. It is something He has against us. His Word says it very plainly. We need to hear what the Spirit of the Lord is saying to the churches because there are both flesh and spiritual issues we deal with as the Body of Christ that are the fruit of Jezebel. She affects us all if she's joined herself to the Church. Let's go on and learn about Jezebel from the Old Testament, what happened to her, how she manages to stay alive through the centuries and then how to divorce ourselves from her!

Her Identity

“Jezebel” means: chaste and the word has two roots: not and dwelling. You can already see the counterfeit. And see how the counterfeit is established? “Chaste” means to be innocent, pure and clean. Well, here is Jezebel *appearing* innocent, pure and clean. But look into the foundation of who she really is. She is *not dwelling*. Jezebel does not and cannot dwell in the secret place of the Most High God, although she will act like she does.

Her father was Ethbaal (near to, or, with Baal), king of the Sidonians (fishery; catchers of men.) See the counterfeit of Jesus? See how the Sidonians were also catchers of men? But not for salvation. Theirs is to snare and abduct men, trafficking them into darkness. Ethbaal, the elitist, was spiritually one with Baal as his name indicates. He was *with* Baal. He was in agreement with the devil. Darkness loves to build its kingdom on the counterfeiting of God’s ways and principles, calling itself the Light. They claim to be the illuminated ones.

If therefore the light that is in thee be darkness, how great [is] that darkness! Matthew 6:23

Baal and Ethbaal perverted the Lord’s ways of closeness and spiritual union of God and man.

Draw near to God and He will draw near to you. James 4:8 (NKJV)

“Baal” means: master, husband, owner, archer, babbler, man, chief, dreamer, furious, etc. Baal is a counterfeit of Jesus and he perverts the awesome beauty of our Father’s Kingdom. Jesus is the One who paid for us. Jesus is our Bridegroom. Jesus is the Master. Baal, the perverse, the deceiver, rules in harshness over those that are his. He rails against his sons, as owner.

His will is to enslave mankind -- especially the people of God -- and He uses his highly trained, spiritual daughter, Jezebel to do it. Jezebel is a counterfeit Bride of Christ. She is a lie. And she reigned as “queen” over Israel. God’s very own people.

Ahab did not just accidentally let her into Father’s nation. He joined himself with her. He glued himself. He became one flesh with her, granting her demon god access into God’s kingdom. Jezebel was given the position of wife which gave her access to rulership over the Lord’s people. She made a mockery of our inheritance as the Bride of Christ. And she defiled the Holy Land.

As queen, she was given entry to pervert the mindset of the sheep using utter lies. She appeared clean and innocent. She was not. If she had been outwardly monstrous, a revolt could have likely occurred. So she put on outward purity and wore it as a mask, a cover to hide the leanness of her soul. Jezebel never knew intimacy with the one True God. She instead bowed to Baal who ruled over her in fury and was master over her through dark deception. It was all she knew. Her father taught her. One could almost feel sorry for her if it weren't true darkness infiltrating the Lord's Kingdom, bringing destruction in the lives and hearts of His people.

See how the devil worked? *He* wanted the worship of God's children. He has always desired fame and preeminent worship as God. And he's not content with the worship of pagans and unbelief. No. He wants *Father's* cherished lineage. So, he entered into God's kingdom through a queen. He was successful with Eve. He was successful with Solomon's wives. The devil uses what works.

So now that he's in, he establishes the worship he has always craved and raises his own temple right there in the midst of Israel. What an abomination. Right in the heart of our Father's Kingdom. The devil's temple. And God's own king built it.

Her Reign

There are two key elements to Jezebel's reign. The first is the destruction of the Word and worship of the Lord. The second is the removal of the inheritance of our Father. There are a few ways she accomplishes her ambitious vision.

The Worship

And it came to pass, as if it had been a light thing for him to walk in the sins of Jeroboam the son of Nebat, that he took to wife Jezebel the daughter of Ethbaal king of the Zidonians, and went and served Baal, and worshipped him. And he reared up an altar for Baal in the house of Baal, which he had built in Samaria. And Ahab made a grove; and Ahab did more to provoke the LORD God of Israel to anger than all the kings of Israel that were before him.

1 Kings 16:31-33

She convinced the Lord's king to build Baal's temple and install her father's false religion. Ahab not only built her temple, but Scripture says he *served* Baal. He could have just given her a house for her god, but he himself provided for and entered into worship of this ruling spirit. He joined the cult. A committed member of a cult is required to submit and obey. Oaths are made. Rituals are performed. This is the *King of Israel* serving the devil. Ahab replaced our Father with this counterfeit. Total harlotry, idolatry and rebellion when he had been given the supreme honor of leading the entire nation of the only people on the planet that were God's alone at that time. He made abominable sacrifices to Baal on that altar serving deception and witchcraft and the fury and the master and every other evil thing. His worship paved a way for all kinds of calamity and chaos to come upon the people of God. He sold his people out. He did it because the spirit of his wife had joined himself with him. And because Ahab had zero Fear of the Lord, it was not hard for Baal to gain the access to seduce the whole congregation of God.

The Word

And Ahab called Obadiah, which [was] the governor of [his] house. (Now Obadiah feared the LORD greatly: For it was [so], when Jezebel cut off the prophets of the LORD, that Obadiah took an hundred prophets, and hid them by fifty in a cave, and fed them with bread and water.)

1 Kings 18:3-4

The devil hates the Word of God, and will always attempt to destroy it. This means he especially hates the prophetic voice and truth.

When Jesus said that the devil is the father of lies, He was not making a casual statement.

He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

John 8:44

As the father of lies, the devil demands and commands that only lies permeate life. The truth must be torn down and the lie must reign by falsifying information and willfully misleading. Lies in education, spiritual doctrine, business, government, media, arts.... The devil dictates that it all must be, *must* be lies.

He moves to take charge of every aspect of society so that he can cloud our knowledge and understanding. As self-proclaimed ruler, he will not allow a morsel of truth, so he establishes his narrative... He starts with the individual, then he broadens into a corporate work, a national work, and ultimately a global work. Eventually, you're hard pressed to find any truth anywhere.

Our great sin is that we listen to him instead of *Him*, and when we do, we end up joining ourselves to darkness through our agreement with his magic words anointed with death and destruction. And by agreeing with his dark proclamations against God and ourselves, we commit the great sin of harlotry.

Jezebel gets it; she's not stupid. The devil has produced a great daughter and she fulfills his will on earth as it is in the first heaven of darkness -- his prison abode. So, the devil's anointed spiritual daughter, Jezebel, works to reign by tearing down the truth and raising the lie.

And she particularly goes for spiritual truth, the Word of the Lord, targeting the prophets and she cuts them off. Shuts them down. Censors. Smears. Suppresses. Kills.

Instead, *she* wants to do the talking. *She* sets *herself* up to lead. Jezebel establishes a false prophetic word over Israel – Abraham's land. Isaac's land. Jacob's land. Joshua's land. David's land. Jesus's land. Jezebel installs her voices of spiritual, social and political propaganda. That the will of the devil would be done.

Now therefore send, [and] gather to me all Israel unto mount Carmel, and the prophets of Baal four hundred and fifty, and the prophets of the groves [Asherah] four hundred, which eat at Jezebel's table.

1 Kings 18:19

She knows. She understands the spirit life. She prepares a table for her priests. "Luciferians." They love this title - and I hate to use it because the devil lost his name. If it was ever his in the first place (which I question), it was stripped from him by our Father. (There is strong evidence that "Lucifer" is an improper translation.) Luciferians understand spirit. Their cult institutes a perverse copycat of the holy things; the holy ways; utterly void of true power -- true life.

Imagine the state of our Father's nation with all righteous power prophetic voices slaughtered! And four hundred and fifty perverse Baal voices lifted up to proclaim what "God" wants. Well, none of it is what God wants. It's what the devil wants.

Baal, or Bel, was known as Prince, Lord of the Earth; He Who Rides on the Clouds; Lord of the Heavens. The audacious serpent! Who he calls himself is his agenda. The devil wants to be the Prince of the Earth. And Heaven! He rides on his dark clouds of deception, sickness, famine and death, but this liar wants to be known as truth.

The devil, the adversary of God and mankind, was raised up by his spiritual daughter among the children of God, exalting himself as owner and Lord of Earth to rule Father's people. And he did it through Father's king. What an accomplishment for the devil.

Asherah (happy; to be honest; prosper) demands her own sacrifices, the singing and dancing of high songs to prosperity and happiness. The pursuit of happiness becomes perverted into idolatry when it becomes the single concern of the heart no matter the cost. How many life decisions are made based on this one ambition? Her vain imaginations trickle into our emotions. *I'm not really ready to have this baby, so I'll end my pregnancy. I'm not happy in my marriage... I think it's fine for me to leave. It's ok for me to spend time with someone else. I'm not happy with the amount of money in my bank account; there's no way I can part with what I have to help someone else out. I need it for me. I'm not happy with my hair, my eyes, my gender, so I'll change my body to be someone else...* It's an infinite yield of the fruit of Asherah - the happiness we long for like a lover. This twisting of our unalienable rights brings emptiness and the void is never filled.

Then there is prosperity. Brothers and sisters, this is a hard area because we've been fed Asherah's doctrine right from the pulpit for many years. It's a troubling thing because there are countless families in the Body of Christ, right here in America, who continue to struggle financially, completely captive to a poverty mindset and lack. What went wrong?

One day, many years ago, about 2005, the Lord said to me, *My Church has sold her voice.* It was just right out of the blue, the way He sometimes does. *How, Lord?* I asked. *She refuses to pay her taxes and has sold herself under the 501(c)(3) - Non Profit. Now the banner over her is Not to Profit.* We wanted to be exempt. Ironically we already were, but we went on - our - own and gave ourselves over to the IRS. When we did, we came under the master's hand to never speak social or political, even spiritual truth from the pulpit. Like Communist China.

The pulpit is supposed to be a continual cleansing of the Christian congregation who hear the Word and are washed by its water.

*Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he might sanctify and **cleanse it with the washing of water by the word, That he might present it to***

himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish (emphasis mine).

Ephesians 5:25-27

The Preacher's pulpit is the laver.

And thou shalt set the laver (washbowl; pulpit) between the tent of the congregation and the altar, and shalt put water therein.

Exodus 40:7

The pulpit was put at the Tent of Meeting and the Altar because it was meant to cleanse not only the priest and sacrifice, but also the congregation. In fact, the Word preached from the pulpit is the very thing designed to make the Church spotless as a whole. It is simply not the case today.

Our pulpits have sold themselves to a secular authority -- for money. It's why the Bible is specific about taxes. Jesus Christ paid His taxes and supernaturally provided for His disciples to pay theirs too. We don't. The Western Church skirted it, and thereby sold our voice, yielding the power of our tongues and the power of truth which sets us free, to an unholy master. We've censored ourselves. And we've become impudent.

Besides losing our authority - we *did not prosper*. And because each 501(c)(3) has an unholy lord reigning over it, Preachers are quiet on some of the most important issues. And they've turned all of that compromise into love. *We don't want to offend anyone*, they say. And the congregation of God has been left spotted, wrinkled, and poor.

Many of our leaders have prospered, though. They, like the sons of Eli, manipulate the faithful. They take the best part, storing up for themselves great properties, clothing, and toys. They travel to beautiful lands for "ministry". They charge huge cover charges at worship events and then pass the bucket asking for more. They say, *The Lord told me you're supposed to give me your money*.

Wherefore the sin of the young men was very great before the LORD: for men abhorred the offering of the LORD.

1 Samuel 2:17

Leaders rarely understand that people can see them for who they are. Those who are aware are tired of the manipulation. It's an offense. And the Church has suffered loss and lack and famine and debt! We need to repent!

But we don't repent. We're entitled. We are prodigal sons wanting our inheritance *now*. We want what's ours before we learn His righteous, often difficult ways. Forgiveness. Turning the other cheek. Releasing. Humility. Mercy. Purity. So we battle a poverty mindset. I could fill a book right here on this one topic, but I'll leave it alone. We still have honesty to look at.

Asherah literally calls herself honest. Deception has this way of calling out something just the opposite of what the truth is. Deception preaches the *opposite* of its own motives and instead, by projecting, accuses *you* of *its* motives. Asherah, a false god from the kingdom of darkness does not *know* honesty, but she proclaims it in an effort to turn our heads and regard her as one to be listened to, showing us the happiness and prosperity! She gaslights. This is how Jezebel spread her lies. There is no redeeming quality to be found in darkness, so false gods have to have an *appearance* of righteousness. This is how the elect are deceived.

Jezebel understands the process.

For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper [in the thing] whereto I sent it.

Isaiah 55:10-11

I don't think there were King James Bibles (or New King James, or NIV or any other trendy version) available for the congregation of God. Besides the law, they lived by the prophetic. They had to. Now the prophetic they were getting was based in darkness with Baal and Asherah filling Israel's ears with their deceptive words for years. All the while...

The true Word of the Lord was stashed away into a cave, a hole.

Was it not told my lord what I did when Jezebel slew the prophets of the LORD, how I hid an hundred men of the LORD'S prophets by fifty in a cave, and fed them with bread and water?

1 Kings 18:13

Did you know that the root of the word “cave” means to be naked? It reminds you of Joseph doesn't it? Cast into a pit without his coat? The prophetic ones with promise, stripped and cast away into a cramped, confined space, left to die.

How many of God's prophets today are hidden away in caves? How many has Jezebel tried to massacre? The prophetic voice of God needs to come out of the hidden place and boldly bring the true Word of the Lord. Where we sometimes stumble is that we test His Word of Truth against the deception of Asherah. Has the Word made everybody happy? Has the Word spoken of my prosperity? There is prophecy that brings us great encouragement; this is what the Bible teaches us. But, a word of knowledge or a word of wisdom may also bring correction or direction or warning. Many times His direction is *not the easy way*. We cannot judge the prophetic by Asherah. She will lie to us every time, calling herself honest, masquerading as the Spirit of Truth.

And Elijah the Tishbite, [who was] of the inhabitants of Gilead, said unto Ahab, [As] the LORD God of Israel liveth, before whom I stand, there shall not be dew nor rain these years, but according to my word.

1 Kings 17:1

Is it any wonder there was famine in Israel at the time? Is it any wonder that the Lord honored His own Word to not rain? Jesus is the Bread of Life. Eating the poisonous meat of false gods only brings death. With the Word of God shut up in caves eating bread, it is the woeful consequence that the people eating the word of Baal would have to suffer the infirmity of unclean meat and thirst for living water.

The Inheritance

And it came to pass after these things, [that] Naboth the Jezreelite had a vineyard, which [was] in Jezreel, hard by the palace of Ahab king of Samaria. And Ahab spake unto Naboth, saying, Give me thy vineyard, that I may have it for a garden of herbs, because it [is] near unto my house: and I will give thee for it a better vineyard than it; [or], if it seem good to thee, I will give thee the worth of it in money. And Naboth said to Ahab, The LORD forbid it me, that I should give the inheritance of my fathers unto thee. And Ahab came into his house heavy and displeased because of the word which Naboth the Jezreelite had spoken to him: for he had said, I will not give thee the inheritance of my fathers. And he laid him down upon his bed, and turned away his face, and would eat no bread.

But Jezebel his wife came to him, and said unto him, Why is thy spirit so sad, that thou eatest no bread? And he said unto her, Because I spake unto Naboth the Jezreelite, and said unto him, Give me thy vineyard for money; or else, if it please thee, I will give thee [another] vineyard for it: and he answered, I will not give thee my vineyard. And Jezebel his wife said unto him, Dost thou now govern the kingdom of Israel? arise, [and] eat bread, and let thine heart be merry: I will give thee the vineyard of Naboth the Jezreelite.

1 Kings 21:1-7

Take the time to really read the story above. Naboth may be one the greatest Biblical examples of a true son of God, and his inheritance is a very big deal. The enemy cannot have flourishing sons of God mocking his ability to enslave mankind. He will not allow it. So he goes for the vineyard.

First he'll offer the sell out and if that doesn't work, he'll offer the trade off.

“Naboth” means: fruit. That’s really good, but go deeper to the root and find the foundation of this man: to germinate; to make to flourish; to **utter**; bring forth fruit; make cheerful; increase. *This* is our inheritance. In full agreement with our Father, we live His Word, receiving His righteous goodness and profound ability and faithfulness to fulfill His great promise of sonship – we become transformed. We do it by His Spirit, through prayer, intercession, in the depth of worship, holding onto His intimate utterances as our life-raft through the raging storms, in faith. Jesus, the Word, has germinated within us. And the increase comes.

And there's more. "Jezreel" means: God will sow, from the roots: God and conceive seed. Jezreel is a wonderful place of conception. It's where the vineyard grows because *God sowed it*. And then He gives it over, leaving it to us as our inheritance, like He did in the beginning with the Garden of Eden. Our Father is the beautiful Husbandman.

When you worship the Lord and pray and study deep into His Word, the Lord begins to plant His seed in you. The ground of your heart is plowed as you say, *Yes* to Him. Even His ways that are difficult to see or understand. Like Noah lived.

The Lord has a thriving Kingdom in Heaven. And we not only have access, but we're meant to live there while we also live on Earth. What was profound about Noah, was that the Lord spoke something to him no one had ever seen. And Noah believed him. What if the Lord has many things like rain? What if His Kingdom is packed full of mysteries that He gave us keys to?

Thou hast heard, see all this; and will not ye declare [it]? I have shewed thee new things from this time, even hidden things, and thou didst not know them. They are created now, and not from the beginning; even before the day when thou heardest them not; lest thou shouldest say, Behold, I knew them.

Isaiah 48:6-7

Do we turn the key and unlock them? New Agers try to. Mystics try to. Christians largely don't. We're just fine, thank you very much, with our prescribed Sunday dose of Christianity. We take our pill once a week and think that is enough to kill the parasite.

Know this. There is an army being formed in Heavenly places. I wholeheartedly suggest you find a way to access it and join in the preparation. Yes, you can remain earthbound and be content with what you have on Earth. The Lord will bless your works on this side of the Jordan. But you can also enter into the Spirit and know your home. You can begin to climb His holy mountain now. If you're not, you could be missing out. There are thoughts of the Lord He wants to speak to you. He wants to breathe Life into that Word you're reading. When He does...

You begin to see everything differently. A deeper renovation takes place within you. When the news says one thing, your spirit says another. When the enemy attacks in an area of your life,

your heart finds gratitude for what it has and does not dwell on what it doesn't have because you've already counted the cost. You are becoming one spirit with Jesus and your vineyard has begun to grow and thrive as you bear His holy fruit of righteousness.

Our inheritance is beautiful life in the vineyard. It's the life our Father gives, not by the striving of the flesh or according to the mindset of man. It's a place that just has blessing on it, no matter what because the Lord is doing it. And Naboth is in total agreement with the working of the Holy Spirit and is becoming one spirit with Jesus there.

Father would sow the seed and being in agreement with the Lord, Naboth would *utter* it which made him flourish and increase, causing him to be cheerful! This fruit manifested in every area, including the natural blessing (he lived next to the king's house) as well as the fruit of the Spirit he bore of his person; receiving and believing who he was in the Lord.

Naboth was not captive to the workings of the flesh and darkness - depression, pride, insecurity, rejection or abandonment. He didn't have "issues." He was whole. It was his inheritance in the Lord and he knew it and he increased because of it. No wonder he wouldn't give it up no matter what price was offered. He was incorruptible, unwilling to be bought off, unwilling to trade for something easier. Naboth told the devil, *The LORD forbid it me, that I should give the inheritance of my fathers unto thee.*

And it cost him his life. It just literally cost him everything.

Naboth's vineyard almost resembles the home of the free and the brave, a flourishing land of fruit sown by the blessing of the Lord. And it almost resembles the Western Church within its borders.

But the devil is always, always overplaying his hand. For it was out of Naboth's martyrdom sacrifice that the kingdom of Baal was torn down from Israel, because it was largely for the vindication of Naboth's vineyard that the Lord raised up Jehu.

The Agenda

Before we look at Jezebel's part in Naboth's story, let's see what Ahab wanted to do with the inheritance of this son of God. The scripture says that he wanted to make it a vegetable garden. This sounds okay, until you dig into the words and see the real motive.

The word vegetable is "herb" which means: yellowish green (of *sickly* vegetation). And it comes from the root: to spit. What a shocking thing. Who would have thought such a thing if it weren't right there in the very Word of God? To spit? That's what the devil thinks about the beauty of the fruitful place of the intimate inheritance of life and abundant working of the Holy Spirit in a son of God.

He conspires to take, to uproot liberty and peace and joy. His great plan is to enslave, and to kill. And still holding a grudge against his loss in the Garden of Eden, he spies out the fruitful land of Belief and Faith in the people of Jesus Christ. He never ever wants that garden to grow again. He spits on the beauty of who the Lord makes us as His alone.

He wants to transform the fruit of righteousness into sickness. His heart is revealed.

Now, Jezebel's heart is revealed. She's going to give Ahab something that's not hers to give, and without one iota of consciousness. Watch closely her disregard for life. See her injustice. In her heart she's already justified her iniquity, so that to her, it is not iniquity at all, but rather it is merely her due. She *is* queen after all and she *is* married to the king. This, in her mind, gives her the right to steal and to kill and to cheat and to lie. She'll show the sons of God who's in charge now. She has thoroughly become the elitist her father was.

For Jezebel, it's an *authority* issue. Jezebel loves to exercise and abuse authority while *she* submits to no one. One with the spirit of her god Baal, she furiously reigns as master and owner, only she puts on the appearance of innocence while she does it. See how.

The Takeover

So she wrote letters in Ahab's name, and sealed [them] with his seal, and sent the letters unto the elders and to the nobles that [were] in his city, dwelling with Naboth. And she wrote in the letters, saying, Proclaim a fast, and set Naboth on high among the people: And set two men, sons of Belial, before him, to bear witness against him, saying, Thou didst blaspheme God and the king. And [then] carry him out, and stone him, that he may die. And the men of his city, [even] the elders and the nobles who were the inhabitants in his city, did as Jezebel had sent unto them, [and] as it [was] written in the letters which she had sent unto them. They proclaimed a fast, and set Naboth on high among the people. And there came in two men, children of Belial, and sat before him: and the men of Belial witnessed against him, [even] against Naboth, in the presence of the people, saying, Naboth did blaspheme God and the king. Then they carried him forth out of the city, and stoned him with stones, that he died. Then they sent to Jezebel, saying, Naboth is stoned, and is dead (emphasis mine).

1 Kings 21:8-14

Jezebel does not gather an army and storm Naboth's home. She is constantly working hard to maintain a clean reputation. So she calculatingly manipulates others to sow her seeds of poison and division. She devises a campaign of false accusation and false doctrine.

Jezebel lies. She points fingers and accuses. But *she's* innocent, remember? She uses her husband's name and seal, as if the letters are from him. She *knows* she doesn't carry true authority. And who is it that she manipulates? The leaders. She conspires to lay the guilt on the elders and nobles (pure from the shining power of fire.)

The inheritance of heritage and the blessing of many generations is not that easy for the devil to take down alone. It requires the leadership to be complicit. To bring down a flourishing beautiful nation, it requires some senators and some congressmen to jump on board... the media, judges and religious voices.

And if you want to bring down the Church, it requires prophets, pastors and teachers behind the pulpit to weigh in. The doctrines of men and demons must become mainstream. You need to

broadcast the message everywhere, from every denomination. Teach it often enough until it becomes commonly accepted as truth.

Use “holiness” ... *Proclaim a fast.*

And don't forget flattery. ... *set Naboth on high among the people.*

You know, Jezebel could have hired an assassin and had the whole thing done quickly and quietly too. But no. She wants public humiliation and shame. She prefers that the entire household suffer disgrace. It's hard to wrap your head around the deep darkness of Jezebel. She's a witch. She will publicly shame a righteous man and his household with slanders -- the whispers of witchcraft -- and it is believed by all because she has manipulated the *leaders* to be the ones to promote the deception.

New Bible Dictionary suggests that Naboth's entire household was killed. This may be true because otherwise, his sons could have laid claim to the vineyard and the new generation would have refused the king like their father. No. Jezebel wants to uproot a heritage. While we go around uprooting this infirmity and that generational curse, be sure the devil is working to uproot the inheritance of your Father -- your very heritage.

Jezebel doesn't want you to know your potential as a son. She doesn't want you to believe you are the righteousness of Christ. She doesn't want you to fulfill your holy kingship or priesthood. She alone wants to be king! She doesn't even want you to believe your Father loves you. She doesn't want you to believe you've really been forgiven.

She wants you to question your salvation, your power in the Holy Spirit, your anointing and your holiness. She wants you to embrace a sin-consciousness. She wants you to own your shame.

She doesn't want you to discover the mysteries of the Kingdom of God. She doesn't want you to journey into the Heavens. She doesn't want you to believe you can. She doesn't want you to see -- or even *want* to see!

Instead, she'll raise up the giants. She'll have you searching the skies for the fallen angels who mingle with men, as if fallen angels can somehow procreate. They can only possess a vessel.

Fallen angels do not have penises. They do not emit sperm. They mingle with men by possessing their souls and oppressing them into great darkness. You have been lied to from pulpits.

You are the sons of God! Jezebel is stealing your vineyard! She's taking your inheritance! Ahab is spitting on your generational blessing!

She's removed the cross demanding we all appease unbelief. She's removed hell. She's removed truth.

She is arrogant enough to teach that a good Father does not discipline. A good God would never allow judgment. She is banking on our dusty Bibles. Our complacency to press into the Spirit. Our complacency to cast down vain imaginations -- the true spiritual warfare which begins with our own minds!

Why in the world would you believe for one second that your every thought is right? Have you made it your practice to take every thought captive to the obedience of Jesus? Or do you just let your mind think anything it wants to think? Jezebel tells you that you cannot take your thoughts captive. She has left mind-over-matter to the Tibetan monks. New Age understands some things more than Christians. They took it, so we stay away from it. We do not harness our thoughts.

Unless you've diligently made it an integral part of your life to possess your own soul by warring for your mind and casting down vain imaginations, you should not teach every little thing you think in your head.

Bring me a prophet who has been diligent in obedience to pick up his weapons that are not carnal, but mighty in God. Let me hear his voice. Brothers and sisters, we are prophesying from our own opinions!

The Lord plants the seed of truth and we agree with Him by uttering it. We use our mouths. The mouth rules the mind. The tongue holds the power. We cast down the negative thought by saying it out loud, *I cast down that vain imagination; I take every thought captive to the obedience of Jesus*. Do it a hundred times a day for a year, or two, or three, or seven, or twenty. Do it until. Our minds can be renewed; they can be sound and anointed.

Sons of God have the mind of Christ. They have come to His holy mountain which cannot be touched with natural hands. They are discovering the wonders of His Kingdom. They are ministering to Jesus in the Heavens and are coming to know their Father.

Sons of God also know themselves. They have become one Spirit with Jesus. They believe for transformation into His completeness. They believe for wholeness. They believe in the power of God to save anybody, in any situation, anywhere - whether it's a church or a nation. This is Naboth's vineyard. This is our inheritance. This is what Jezebel has been trying to steal from us and you know what... ? She has been getting away with it.

She abuses authority. She manipulates with flattery, false accusation and public humiliation. She kills innocence. She pollutes the purest leaders who have burned with the fire of the Holy Spirit and she does it all under the cover of holiness.

With Naboth, Jezebel accomplished her agenda.

Then they sent to Jezebel, saying, Naboth is stoned, and is dead.

*And it came to pass, when Jezebel heard that Naboth was stoned, and was dead, that Jezebel said to Ahab, Arise, take possession of the vineyard of Naboth the Jezreelite, which he refused to give thee for money: for Naboth is not alive, but dead. And it came to pass, when Ahab heard that Naboth was dead, that **Ahab rose up to go down to the vineyard of Naboth the Jezreelite, to take possession of it** (emphasis mine).*

1 Kings 21:14-16

We should all mourn the loss of Naboth and his vineyard! He was one of us!

The takeover is complete. Ahab has taken possession. The devil stole the utterance, the agreement, the increase, and the joy from a son of God and he took it for his own!

“Watchdog” ministries love to call everybody false prophets and teachers. They, of course, are the ones to be trusted with the real truth. When Words of the Lord do not come into fruition, the slanders and accusations against holy men of God are strewn effortlessly from angry, cynical lips of self-righteous men who have propped themselves up as watchmen.

But I remember those watchmen the Shulamite ran into when she was trying to find her Beloved.

The watchmen that went about the city found me, they smote me, they wounded me; the keepers of the walls took away my veil from me.

Song of Solomon 5:7

My brothers and sisters, we need to understand that the devil works hard to dispossess our inheritance. The devil warfares against Words of the Lord and sometimes steals them. Then the inspired voice that brought the Word is accused as false.

I know a prophet who was dying of cancer. When we spoke on the phone shortly before he died, he said to me, "I have unfulfilled Words of the Lord; I'm not supposed to die!"

I know this is a really sensitive subject and I definitely do not claim to have full understanding, but I have come to believe that not every Word of the Lord that does not come to pass is because the man or woman who brought the Word is a false prophet or teacher.

We know it happens all the time with natural inheritances. Someone vies and manipulates and many times steals what a loved one bequeathed to us. We understand it with the natural, but maybe not so much with the spiritual.

This charge I commit unto thee, son Timothy, according to the prophecies which went before on thee, that thou by them mightest war a good warfare; Holding faith, and a good conscience; which some having put away concerning faith have made shipwreck:

1 Timothy 1:18-19

Sometimes the Word of our inheritance is fought over. Sometimes, for many different reasons, we relinquish it. Maybe we were bought off. Maybe we traded it in. We know the Word tries us. But we would rather accuse a fellow brother who brought an unfulfilled Word than we would a devil conniving and afflicting and deceiving to steal that Word. The enemy of the sons of God works really hard to take what is ours. It seems that sometimes he's successful. I'm going to leave it there and not try to go any further with this subject.

So, now for the accountability of the stolen inheritance of Naboth.

The following scripture is illuminating because of who the Lord holds accountable for the works of Jezebel. It's Ahab. Yes, she'll have to answer to our Father for what she's done to our brother, but the Lord indicts Ahab first and pronounces judgment on his entire household.

*And the word of the LORD came to Elijah the Tishbite, saying, Arise, go down to meet Ahab king of Israel, which [is] in Samaria: behold, [he is] in the vineyard of Naboth, whither he is gone down to possess it. And thou shalt speak unto him, saying, Thus saith the LORD, **Hast thou killed, and also taken possession?** And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.*

And Ahab said to Elijah, Hast thou found me, O mine enemy? And he answered, I have found [thee]: because thou hast sold thyself to work evil in the sight of the LORD. Behold, I will bring evil upon thee, and will take away thy posterity, and will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel, And will make thine house like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah, for the provocation wherewith thou hast provoked [me] to anger, and made Israel to sin. And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel. Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat. But there was none like unto Ahab, which did sell himself to work wickedness in the sight of the LORD, whom Jezebel his wife stirred up (emphasis mine.)

I Kings 21:17-25

“Hast *thou* killed?” The Lord is holding His king accountable. He has to deal with the head. Ahab, who just laid on his bed sulking. He didn't put his hand to the stones that were thrown toward Naboth. He didn't write any letters devising any scheme. He lay there in tolerance and complacency allowing his wife to commit murder. And maybe it was because he was going to get something out of it. But by doing so, Ahab is now judged by God a murderer and a thief. He sold himself. He surrendered to the control of Baal and Jezebel. He never took a stand for righteousness to deny them. Instead, his *silence* was his voice of agreement, making him complicit, surrendering himself to the flesh and the witchcraft with whom he was joined.

And it came to pass, when Ahab heard those words, that he rent his clothes, and put sackcloth upon his flesh, and fasted, and lay in sackcloth, and went softly. And the word of the LORD came to Elijah the Tishbite, saying, Seest thou how Ahab humbleth himself before me? because he humbleth himself before me, I will not bring the evil in his days: [but] in his son's days will I bring the evil upon his house.

1 Kings 21:27-29

Ahab didn't argue. He knew he was guilty, no matter how innocent he may have tried to make himself feel. He had righteous blood on his hands. And he knew the Lord knew it.

But how incredibly merciful is our Father. Look at how He responds to even the most sinful of men. Humility moves Him. The Lord shows Ahab great mercy to extend his life, but because He is holy and just, He does fulfill His Word and He raises up a mighty man to do it. This man will tear down the altars of evil that defiled the Lord's people through Ahab and Jezebel. Our Father will always bring vengeance when inheritance is stolen from His people, He just may do it in a new generation.

The Removal of the Queen

We're going to leap forward to that new generation and meet Jehu now. First, we'll note that Ahab is dead. He died in battle some years after his encounter with Elijah. Elijah is gone too. He's been received up into Heaven, leaving Elisha with his mantle and a double portion of his anointing. But the Lord has not forgotten Naboth, his vineyard or the Word He proclaimed through Elijah. So, now, through the prophet Elisha, He raises up His new king.

And Elisha the prophet called one of the children of the prophets, and said unto him, Gird up thy loins, and take this box of oil in thine hand, and go to Ramothgilead: And when thou comest thither, look out there Jehu the son of Jehoshaphat the son of Nimshi, and go in, and make him arise up from among his brethren, and carry him to an inner chamber; Then take the box of oil, and pour [it] on his head, and say, Thus saith the LORD, I have anointed thee king over Israel. Then open the door, and flee, and tarry not.

So the young man, [even] the young man the prophet, went to Ramothgilead. And when he came, behold, the captains of the host [were] sitting; and he said, I have an errand to thee, O captain. And Jehu said, Unto which of all us? And he said, To thee, O captain. And he arose, and went into the house; and he poured the oil on his head, and said unto him, Thus saith the LORD God of Israel, I have anointed thee king over the people of the LORD, [even] over Israel. And thou shalt smite the house of Ahab thy master, that I may avenge the blood of my servants the prophets, and the blood of all the servants of the LORD, at the hand of Jezebel. For the whole house of Ahab shall perish: and I will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel: And I will make the house of Ahab like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah: And the dogs shall eat Jezebel in the portion of Jezreel, and [there shall be] none to bury [her]. And he opened the door, and fled.

2 Kings 9:1-10

Ok, we'll stop here and look at a couple of things before we go further into the tearing down of Jezebel. "Elisha" means: God of supplication, from the roots: God and to cry out. The Lord establishes the turning of a nation, the cleansing of a people through prophetic intercession. As it

is with most prophets, Elisha is a key example of the intercessor. His name reveals his works. Through fervent, travailing intercession, the inspired man, wholly taking on the Word of the Lord, sets into motion the raising of a new king while another king is still in office. Intercession has produced the prophetic act at the highest government level.

Elisha's servant obeyed the Word, went to a military leader and took him into an inner room. I love that Jesus anoints in the inner room. Tucked away in the prayer closet, the Lord pours oil. As we press into the secret place of the Most High... into His chambers... He anoints us. In this inner room, it's Jehu being anointed.

Not only is the prophet anointing a new king over Israel, but the Lord has instructions for what he wants Jehu to do and He tells him why. He proclaims His mandate for Jehu accompanying his new governmental authority. Jehu is to utterly tear down Ahab's heritage and to avenge the blood of the prophets and the servants of the Lord that were killed by Jezebel. No wonder the young prophet ran immediately after fulfilling his task. He had just gone to a general and commissioned him to overthrow the government.

Who is this fervent, disciplined military man, King Jehu?

“Jehu” means: Jehovah is He. His father is Jehoshaphat (to judge; to vindicate.) The Word of God is so incredibly rich. Why is Jehu chosen as the vindicator? Because he is the fruit of his father. He, like Ahab, walks in *his* father's footsteps.

This is a generational thing raised up to take on a generational thing.

Even Jehu's grandfather, Nimshi is mentioned. His name means: to draw out; abide; confirm; accomplish. Jehu will accomplish this work of the Lord because he was prepared from his generations abiding. And what is this work of God he will accomplish? The vindication of the blood of the prophets and the stolen heritage and inheritance of the sons of God. What an incredible call. And the power of it all lies in his name which reveals his heart. Jehu is zealous for God. *Jehovah is He!* Let's go further.

Jehu first goes for Joram, son of Ahab, king of Israel. Jehu, being anointed king, had to supplant the reigning king. It's just how it goes in the spirit. Jacob had to supplant Esau. Jesus supplanted

the devil. It's a form of dispossessing. You cannot take up residence until you drive out the existing occupant.

This is, in fact, the meaning of the new wine.

Israel then shall dwell in safety alone: the fountain of Jacob [shall be] upon a land of corn and wine; also his heavens shall drop down dew.

Deuteronomy 33:28

This is not the common wine of intoxication. The wine in this scripture is the new wine, from the vineyard of inheritance. Look at its root: to take possession of; **inherit; dispossess; to occupy by driving out previous tenants and possessing in their place.** This is the work of the new wine!

That's why Jesus, who brought the true new wine, spoke about it. *But new wine must be put into new bottles; and both are preserved.*

Luke 5:38

The Lord is going to provide an excellent example of this spiritual work through Jehu.

So, Jehu finds Joram at Jezreel, healing from a wound he received battling the king of Syria. Joram's uncle, King Ahaziah of Judah was visiting him while he convalesced. Jehu shows us how an anointed warrior king operates when he's been unleashed by the Word of the Lord. He furiously rides to Jezreel to take down the unrighteous lineage.

Joram hears that Jehu is on the rampage and when Jehu arrives, he asks him if he has come in peace.

And it came to pass, when Joram saw Jehu, that he said, [Is it] peace, Jehu? And he answered, What peace, so long as the whoredoms of thy mother Jezebel and her witchcrafts [are so] many?

2 Kings 9:22

What peace? I thought peace was the height of Christianity. So, there really is a time for war? We could all go around making peace with demons and think we're so holy. Jehu's response is

holiness! It's righteousness speaking to the reason it is dethroning generational iniquity. The harlotries (highly fed) and witchcraft (to whisper; magic) coming from the queen mother (bond of a family) are being judged.

And Jehu drew a bow with his full strength, and smote Jehoram between his arms, and the arrow went out at his heart, and he sunk down in his chariot. Then said [Jehu] to Bidkar his captain, Take up, [and] cast him in the portion of the field of Naboth the Jezreelite: for remember how that, when I and thou rode together after Ahab his father, the LORD laid this burden upon him; Surely I have seen yesterday the blood of Naboth, and the blood of his sons, saith the LORD; and I will requite thee in this plat, saith the LORD. Now therefore take [and] cast him into the plat [of ground], according to the word of the LORD.

2 Kings 9:24-26

Jehu, anointed as the new king, kills Ahab's son, Joram the existing king and he does it by shooting an arrow with his full strength. The arrow (piercer; wound) goes straight through the heart. The heart is the center of wisdom and understanding. Jehu pierces the center of understanding of a generation of God's people who have suffered under the doctrine of witchcraft and harlotry.

Jehu's arrow is avenging the spilled blood of Naboth and his sons. It's avenging the stolen inheritance of the sons of God. It's avenging the stolen Vineyard. And so much more...

Jehu's arrow is supplanting a perverse mindset so that a righteous mindset may be restored. This is not something that can be casually done. Neither is it easily obtained. It takes the full strength of zealous righteousness who has been called and prepared and anointed.

There is a mindset that we must completely destroy. Jehu knows how to do this.

Through intercession, the prophetic anointing, the zeal for the Lord and His righteousness and by aiming at the center of the ungodly understanding, we may in our full strength, pierce false doctrine to its death and hurl it as the manure it is, onto the plot that was bequeathed to *us*.

It is Jehu's corporate purpose. And inside of each Christian, there is a Jehu.

Jehu Supplants

Jehu killed Joram. He also killed Joram's uncle, king of Judah. Now, having removed her inroad to the throne, he'll destroy Jezebel.

And when Jehu was come to Jezreel, Jezebel heard [of it]; and she painted her face, and tired her head, and looked out at a window.

2 Kings 9:30

What is she doing? She knows he's here to kill her. She paints her eyes and adorns her head. "Tire" from our above Scripture, means: to make beautiful, happy, successful, be accepted, be better, seem best... find favor. This is how we recognize Jezebel. She puts on and wears her characteristics. She puts on beauty. And happiness; don't forget her favorite demon Asherah. She's successful! She seems to be the best among us with her great favor... These are big clues to her present reality among us.

Then she leans out of the window and says something perplexing.

And as Jehu entered in at the gate, she said, [Had] Zimri peace, who slew his master?

2 Kings 9:31

We can't underestimate the underlying message of Jezebel. She is very aware of the Word of the Lord through Elijah. She's mocking him, alluding to Zimri's seven day reign and ultimate demise. She must have known Elijah referenced King Baasha. So she calls him Zimri.

And it came to pass, when he began to reign, as soon as he sat on his throne, [that] he slew all the house of Baasha: he left him not one that pisseth against a wall, neither of his kinsfolks, nor of his friends. Thus did Zimri destroy all the house of Baasha, according to the word of the LORD, which he spake against Baasha by Jehu the prophet, For all the sins of Baasha, and the sins of Elah his son, by which they sinned, and by which they made Israel to sin, in provoking the LORD God of Israel to anger with their vanities (emphasis mine).

I Kings 16:11-13

This is *another* Jehu -- a prophet the Lord used in tearing down another evil throne. And he used Zimri to do it. Now, let's see something deeper than the surface similarities.

“Zimri” means: make music, give praise. And “Baasha” means: to stink, offensiveness.

The Lord raised up praise to remove the stench of offense from His people.

Now the Lord is using another Jehu to bring down an offense to His kingdom. And here is Jezebel, a stench, adorning herself with her version of beauty and favor, trying not to smell. Her last ditch effort. There are never apologies with Jezebel. So, if she couldn't manipulate through seduction, then she was going to go down trying to be better, trying to be right.

And he lifted up his face to the window, and said, Who [is] on my side? who? And there looked out to him two [or] three eunuchs.

And he said, Throw her down. So they threw her down: and [some] of her blood was sprinkled on the wall, and on the horses: and he trode her under foot. And when he was come in, he did eat and drink, and said, Go, see now this cursed [woman], and bury her: for she [is] a king's daughter. And they went to bury her: but they found no more of her than the skull, and the feet, and the palms of [her] hands. Wherefore they came again, and told him. And he said, This [is] the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel: And the carcase of Jezebel shall be as dung upon the face of the field in the portion of Jezreel; [so] that they shall not say, This [is] Jezebel.

2 Kings 9:32-37

The first thing Jehu does is ask who is on his side. Who's with me? Who carries this burning zeal to tear down her tyrannical, defiling, witchcraft deception? And the ones who respond are the eunuchs. Not a lot -- just two or three, but enough.

Eunuchs are castrated men. It was the practice then to have eunuchs serve in the palaces. But it is also a thing Jezebel does. She emasculates. Tell a man he's not a man. Insist masculinity bow to femininity. Men can't be trusted. They should abhor their masculine nature -- in fact -- they should become women. They most likely had to serve her as her valets or chamber maids. She probably treated them like dogs.

But a eunuch can also represent a minister of state. We don't know if these were ministers of state taking a political stand against her, or her personal valets overthrowing her domination, but they were the ones chosen by God and filled with the courage to say, "We're with you." Jehu was an outside man, but the eunuchs were inside men.

Next, we read from the Scripture that as they overthrew her, some of her blood sprinkled on the wall and the horses. We'll look at the blood.

"Blood" figuratively speaking is the juice of the grape from the root meaning: to be dumb, be **silent, tarry, wait**. Jezebel's blood is important. She's in Jezreel, the land of the vineyard that God sows. This priestess of darkness thought she could just reign in His vineyard and defile His fruit. Jezebel *had* to die at Jezreel.

The walls that protect Jezebel are one of the reasons she is difficult to remove. But the juice of her grape stained that wall in Jezreel as a trophy.

It also sprinkled Jehu's horses as a trophy. A horse represents praise and joy. To skip for joy as leaping. So, yes, he was coming to her like Zimri! (Horses are extremely important in the Kingdom of God. They are spirits of heaven (Zechariah 1:7-11.))

This is true spiritual warfare played out in one of the most dramatic upheavals of darkness recorded in the Word of God. The zeal of a fervent man of God, tramples underfoot the perverse grape grown in Naboth's vineyard - the inheritance of our Father.

Could the trampling of Jezebel also somehow be a type and shadow of the end?

And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast [it] into the great winepress of the wrath of God. And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand [and] six hundred furlongs.

Revelation 14:19-20

Jehu kills Jezebel, then goes in to eat. And while he eats, the dogs eat Jezebel (another reference to Baasha) leaving her palms, feet and skull. These connect the Old Testament to the New Testament.

“Palm” means: the hollow hand, **power**. “Feet” means: (as a euphemism) **to be able to endure**, from the root which means: **to walk, be a slanderer, backbite**. “Skull” means: a head, **every man**, from the root which means: to roll, commit, **seek occasion**, etc.

The power of Jezebel to enslave, dominate and destroy has been able to endure, seeking occasion to affect every man. Her blood silently waited and her dark spiritual power would linger as a slanderer and a backbiter.

Jezebel’s palms, feet, and skull will eventually have to be dealt with. It may not have seemed like it then, but it was a work that only Jesus, King of Heaven and Earth, could accomplish.

Pressing on...

And Ahab had seventy sons in Samaria.

2 Kings 10:1

There is a reason Jehu could not stop the upheaval until every one of Ahab’s sons were removed. The number seven means complete, and it also means: oath, or to swear. Whatever strength through any oath with darkness these seventy sons represented had to be utterly removed from the earth. So the great men of the city who reared the sons were the ones who slaughtered them, cutting off their heads and sending them to Jehu.

The unrighteous head over Israel was cut off by righteousness and removed.

And it came to pass in the morning, that he went out, and stood, and said to all the people, Ye [be] righteous: behold, I conspired against my master, and slew him: but who slew all these? Know now that there shall fall unto the earth nothing of the word of the LORD, which the LORD spake concerning the house of Ahab: for the LORD hath done [that] which he spake by his servant Elijah. So Jehu slew all that remained of the house of Ahab in Jezreel, and all his great men, and his kinsfolks, and his priests, until he left him none remaining.

2 Kings 10:9-11

The Scripture goes on to tell about Jehu killing Ahaziah's brothers.

And he arose and departed, and came to Samaria. [And] as he [was] at the shearing house in the way, Jehu met with the brethren of Ahaziah king of Judah, and said, Who [are] ye? And they answered, We [are] the brethren of Ahaziah; and we go down to salute the children of the king and the children of the queen.

2 Kings 10:12-13

We're back to the leaders. This is a brotherhood in alignment with Ahab and Jezebel. They were at the shearing house, a place that many other Bible versions record as Beth Eked of the Shepherds.

So, it's a Pastoral issue.

"Beth Eked" means: House of the Binding. The root means: constraint, oppression. What we see here is a brotherhood who salutes Baal. These Pastors embrace the queen mother. And they gather at a location which describes their work.

As Shepherds, they oppress and bind the sheep.

Are they satanic Freemasons? Do they follow the dark agenda of the Secret Doctrine's Seven Rays and other mysticism? Unclean doctrines of demons? Are they participants of DHS's Clergy Response Team? Will they uphold the Noahide Laws? Are they Enochians? Do they teach that aliens and demons are mixing with men and making babies? Do they even believe in the Trinity? Or Hell? Are they Christian Scientists holding celebrity home bible studies?

The answer is *Yes*. These Shepherds meeting at *this* Lodge do. All the others who merely parrot their doctrines may not know, but they all push her narrative. They push Jezebel's agenda.

They're taking money from Israel to sway American Christians to promote pro-Zionist policies and back their wars. They've taken down their crosses in order to not "offend." They advise us to enter into global human clinical trials. They consider their calling a job. They've acquired a fleet

of private aircraft. They've amassed acres and acres of land while the sheep struggle to pay their rent. They are the deep church elite.

There's a oppressing and binding that continues to assault Naboth's vineyard according to the flesh. The intoxication of ambitious self promotion: *My ministry. My 501(c)(3). My merchandise. My vision. My status. My numbers. Me!*

And there's a spiritual oppressing and binding that comes from these Lodges. For the Outer Court shearing houses, it's milk, milk, milk. The cookie cutter preacher voice. Very few healings. Very few miracles. No tears of repentance being shed among the people. No crying out. Occasional vague prophecies. No deep revelation of the Kingdom of God. No deep revelation of the sons of God. Nothing. Lukewarm, state religion offering a shallow life promoted by the enemy.

For the deeper spiritual Lodges... they drink of a strange wine. A fermentation of many ages. It's the Judaising of Christians. The mysticism. The Book of Enoch. The Nephilim. Jesuit mixture. Secret societies. The Mystery of Iniquity. Noachidic Freemasonry.

But they also have erred through wine, and through strong drink are out of the way; the priest and the prophet have erred through strong drink, they are swallowed up of wine, they are out of the way through strong drink; they err in vision, they stumble [in] judgment.

For all tables are full of vomit [and] filthiness, [so that there is] no place [clean].

Isaiah 28:7-8

Intoxication is alluring our priests and prophets. And it's making us unclean. Our Father is telling us why there is a destroying storm coming.

Jehu is the storm. He will not stand for our inheritance being spit on. He will not allow an unclean brotherhood standing in Jezebel's pseudo authority teaching her putrid doctrine.

So Jehu takes them down.

And he said, Take them alive. And they took them alive, and slew them at the pit of the shearing house, [even] two and forty men; neither left he any of them.

2 Kings 10:14

(It's almost like each elite brother's life was taken as a prophetic shadow of the forty-two months the beast will reign in the end. It may be written that the beast of Revelation will have power over us for three and a half years, but that song of Moses will be sung. It's our patience.)

It's at this juncture that Jehu discovers a holy remnant has remained. He's been nameless and faceless. He's remained hidden away until he discerns his hour. Then he approaches Jehu.

And when he was departed thence, he lighted on Jehonadab the son of Rechab [coming] to meet him: and he saluted him, and said to him, Is thine heart right, as my heart [is] with thy heart?

2 Kings 10:15a

It is incredible to hear Jehu ask these words. For the Jehus, it is a heart issue. I wonder how many children of Israel spoke evil of Jehu. I wonder how many were aghast at his furious riding. I wonder if they pointed fingers, accusing and condemning like Jezebel. Was he written up in *The New York Times* as a Zealot Christian Conspiracy Theorist? I bet he was. Warriors often are. But this beautiful unknown man makes it his priority to leave everything and approach Jehu, offering himself. Jehonadab answers Jehu's pointed question.

It is.

2 Kings 10:15b

“Jehonadab” means: Jehovah and volunteer as a soldier; offer self willingly; presenting spontaneously. How absolutely incredible. He was fulfilling his destiny. His mother was Rechab - band of (horse) riders. Jehonadab was raised in the spirit, as a rider like Jehu. They were like-minded; they were one hearted.

New Bible Dictionary records Jehonadab as coming from a family known for their zealous commitment to the Lord. In a way they were like Nazarites, like Samson. They took oaths of commitment and paid vows to the Holy God of Israel.

Jehonadab is no ordinary man. He courageously and willingly offered himself, presenting himself spontaneously and volunteering as a soldier for the Lord. And Jehu had the discernment and insight to include him in fulfilling prophecy.

And he said, Come with me, and see my zeal for the LORD. So they made him ride in his chariot. And when he came to Samaria, he slew all that remained unto Ahab in Samaria, till he had destroyed him, according to the saying of the LORD, which he spake to Elijah.

2 Kings 16:16-17

And prophecy is being fulfilled in a way that many most likely can not accept. It's taking fervent zeal. Jehu is not whispering. He is not smiling. He is not what many would call beautiful. I wonder if he had tons of friends. Probably not. He is offending. His message is intensity. His eyes burn like fire. And he's just gotten started.

The Removal of Baal

Now Jehu will take down Baal. Remember it's a spiritual war. When the Lord is sanctifying a nation, it may look like a natural war, but we are dealing with rulers and wicked spirits in high places and it's going to take someone with knowledge and training to not back down to corrupt politics or the fear of man.

Jehu pretends he wants to be a part of the brotherhood. The family. Oh, the enemy must have felt so victorious.

And Jehu gathered all the people together, and said unto them, Ahab served Baal a little; [but] Jehu shall serve him much. Now therefore call unto me all the prophets of Baal, all his servants, and all his priests; let none be wanting: for I have a great sacrifice [to do] to Baal; whosoever shall be wanting, he shall not live.

2 Kings 10:18-20a

Here's the guy taking charge, shaking things up, joining the mob, saying, "I want to be in your club."

But Jehu did [it] in subtilty, to the intent that he might destroy the worshippers of Baal.

And Jehu said, Proclaim a solemn assembly for Baal. And they proclaimed [it]. And Jehu sent through all Israel: and all the worshippers of Baal came, so that there was not a man left that came not. And they came into the house of Baal; and the house of Baal was full from one end to another. And he said unto him that [was] over the vestry, Bring forth vestments for all the worshippers of Baal. And he brought them forth vestments.

2 Kings 10:20b-22

It's almost like he's doing what Jezebel did. Proclaim a fast and seat Naboth at the table... The Lord's vengeance always goes above and beyond the enemy's original trespass, accomplishing profound salvation. He did it with Moses and the plagues and the Sea. He did it in the belly of the earth with the keys of hell and death. Don't think the Lord won't fully vindicate.

And look here at who is with him. Our remnant soldier of hot fervent love for the Lord, Jehonadab. He's fully involved and takes his place in history.

And Jehu went, and Jehonadab the son of Rechab, into the house of Baal, and said unto the worshippers of Baal, Search, and look that there be here with you none of the servants of the LORD, but the worshippers of Baal only. And when they went in to offer sacrifices and burnt offerings, Jehu appointed fourscore men without, and said, [If] any of the men whom I have brought into your hands escape, [he that letteth him go], his life [shall be] for the life of him.

*And it came to pass, as soon as he had made an end of offering the burnt offering, that Jehu said to the guard and to the captains, Go in, [and] slay them; let none come forth. And they smote them with the edge of the sword; and the guard and the captains cast [them] out, and went to the city of the house of Baal. And they brought forth the images out of the house of Baal, and burned them. And they brake down the image of Baal, and brake down the house of Baal, and made it a draught house (a sewer) unto this day. **Thus Jehu destroyed Baal out of Israel.** (emphasis mine).*

2 Kings 10:23-28

It reminds you of Samson and the Philistines, doesn't it? If we think the Lord cannot take down an unclean government, we are sadly mistaken. It doesn't mean Jehu was without faults. He did not sanctify Dan or Bethel from Jeroboam's golden calves. Maybe he felt like he had fulfilled his purpose, but kings were measured by the altars of darkness they tore down and the altars of darkness they let remain in their land. And I propose we're in deep trouble if the Lord still measures according to these standards.

This brings us to the Book of Revelation. Fervent righteous zeal has trampled witchcraft and harlotry underfoot. It has supplanted the false god out of the Lord's land. But we still have those palms, feet and skull, silently waiting. The Book of Revelation speaks about her. Not the "spirit of Jezebel" that can just be yelled at for 30 seconds in prayer groups, although she is a spiritual power to deal with. But we now know that she is a perverted fruit of harlotry and she has succeeded in growing on the Vine. Jesus, Himself gives us deeper insight into who she is and how she operates today.

A Revelation of the Queen in our Generation

And unto the angel of the church in Thyatira (odor of affliction) write; These things saith the Son of God, who hath his eyes like unto a flame of fire, and his feet [are] like fine brass;

I know thy works, and charity, and service, and faith, and thy patience, and thy works; and the last [to be] more than the first. Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols. And I gave her space to repent of her fornication; and she repented not. Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation, except they repent of their deeds. And I will kill her children with death; and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you according to your works.

Revelation 2:18-23

Okay. This is a whole lot to get a hold of, but we just absolutely have to. The Bible says that we are blessed to receive this Word in Revelation (Revelation 22:7). So, first we want to see Jesus.

His eyes are like a flame of fire. “Eye” means: envy from the jealous side-glance. The root means: to gaze with wide-open eyes as if seeing something remarkable; appear. (The word means more, but these are the meanings we’ll look at now.)

Here is the appearance of Jesus. And He has not been watching from a distance nor is this a casual observation. This look differs from simple voluntary observation or casual vision. He is gazing at us! Up close, with jealousy! He is seeing something remarkable. There is a brilliance about Him. It’s in His eyes and His feet -- from His head to His toes.

He is glorious gazing at His betrothed. He *loves* her. He has not overlooked the beauty within her that defines her. She’s giving. She’s surrendered herself to serve. She’s not self-seeking. She knows and walks in love. This is the committed Body. These are doers of the Word and not hearers only. They walk by faith. They are us. Those of us who are pressing in to walk according to the Scriptures. The committed ones. The surrendered lives. But if we could just see that fire burning in His eyes.

I hear Christians say that the Lord is always in a good mood. I beg to differ. I've seen Him crying. I've felt His travail. I've cried His tears. Our Father carries beautiful joy, but He is *not* always in a good mood. And you better hope and pray that He's not. The martyrs of the fifth seal are not laughing. The Chinese Christians are praying He's not hanging out in a robe dancing. The Sudanese Christians, Iranian Christians, Palestinian Christians, Israeli Christians, Afghani Christians and many more are depending on Him to not be dancing and laughing along with the complacent Western Church. They're depending on the Man of War. The Deliverer.

What do we have on earth to compare Him with so that we can understand? *Nothing*. We have to -- by the Spirit -- by revelation -- see.

John did and he fell on the ground as dead.

And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:

Revelation 1:17

We must put off the old man's understanding and put on the new man's vision and see Him for who He is. Then we will have to, with this same vision, see ourselves.

There are a few things the Lord has against us. Are we going to continue to drink the old wine of self-righteousness and not hear the Word of the Lord? Jesus has something against us. He said that we tolerate Jezebel.

Read it from the *Aramaic Bible in Plain English*:

"I have much against you, because you are tolerating your wife Jezebel who says about herself that she is a Prophetess, and teaches and seduces my Servants to commit fornication and to eat the sacrifices of idols" ... "Behold, I shall cast her into a coffin, and those who commit adultery with her into great suffering, unless they repent of their deeds."

Revelation 2:20, 22

That's a little more intense. But it doesn't fit our playful Jesus does it? I have *much* against you because you are tolerating your *wife* Jezebel. Oh dear.

At first I didn't even know Jezebel was able to live through all these centuries. Frankly I was naive about Jezebel. But here she is in the Book of Revelation in the Church.

She lives in the Church. Married to us even. Like Ahab. She was married to the king and raised up as leader, prophesying to *Israel*. Not Rome, or Egypt, or Babylon. *Israel*.

So she's not only a world problem, she's a *Church* problem.

What exactly is this problem that we didn't know we had? Jesus says we tolerate her. We turn our head and close our eyes and we let her have her way, just as long as we're not uncomfortable. We don't like confrontation. We tell ourselves we have to love. Well, I submit that love does not tolerate darkness destroying the Vine.

Jesus says that she is a self-professed prophet. This is a clue. According to Jesus, a work of Jezebel will come through a "Thus says the Lord." She hates the prophet of God, but she herself prophesies the words of her father. Baal can say, "Thus says the Lord" all day long because he claims to be the Lord of Heaven and Earth.

Remember Jezebel is outwardly pure, wearing beauty, success and favor. We may not recognize her if we are looking to the outward appearance. She is going to seem clean. She is trying to deceive us, so she's not going to be looking like a demon with a green face and fangs. She is a beautiful person... a queen among us. She's learned our Christian language. She's made our Church her home, and the lies of darkness that she ministers sound so good.

But her motive is to uproot our inheritance.

She nears to the leadership of a Church. She becomes best friends with the Pastor, always flattering with those happy words of prosperity. Look for the prophet who is continually whispering in the Pastor's ear and you may find Jezebel. He likes to speak. He wants to be king. Creepy, huh?

Jezebel often operates in men.

Many true prophetic voices have left Churches because the leadership shut them down. Jezebel saw to it that they were silenced. Remember this. If we continue to allow her to rule with deception, she will uproot our inheritance any way she can.

When Ahab approached Naboth, he said, "I want your vineyard." Naboth responded, "It's my inheritance -- you can't have it." And now, generations later, Jezebel is saying, "I'll get that vineyard."

So she seduces with the intent to cause us to commit fornication and to eat things sacrificed to idols. It's understandable that many focus on pornography because that is the word for fornication and pornography is rampant in the Church.

Porneia means: harlotry and idolatry which is Jezebel. Its root means: to sell; prostitute. There are outward implications of sexual immorality just like the word porno indicates, however, there is more to discover.

There is, for instance, that word idolatry to contend with. And there is the issue of selling one's self. Ahab did. Idolatry has always been the issue. From His very first people, wandering through the wilderness, He has had to contend with our idolatry. Even before.

Rachel stole her father's household idols, which interestingly were believed to bring inheritance, and she died in sorrow shortly thereafter. She never entered into her husband's transformation into Israel.

The entire Old Testament records generation after generation of idolatry among Father's people. Do we think it somehow stopped with us? The problem is that our idolatry is in some cases hidden, even from ourselves. We don't recognize things offered to idols, so we eat her meat of poisonous false doctrine.

Her meat offered to idols are her teachings.

She teaches that we'll be whole when we get to heaven. She says "as long as we're in this body, we'll always sin." She removed the power of God to perfect us. She calls holiness legalism. She offers instead a perversion of grace that keeps us bound -- and if you press in to remain clean?

You have a religious spirit. Meanwhile *she's* the religious spirit with her do's and don'ts. She creates law where there is liberty as she wickedly twists truth.

She denies His power.

She brings performance masquerading as worship. And she either has you singing "worship" songs that are really about you, or she'll have you so minimized that you wonder why you even exist. She teaches that Jesus doesn't want to change the world, and that He doesn't care about earthly things like your bank account. She teaches that your heavenly Father only sees Jesus, not you.

She tells us we're in the Holy of Holies when we are looking at our watches and thinking about lunch. She casually throws around the word Glory.

She teaches us tolerance, calling it love.

She teaches all kinds of doctrinal divisions. She teaches Christians can't have demons to one group and she has other groups barking like dogs.

She teaches that fallen angels are the sons of God. Not you. Them. The devils get to be the sons. And they all get to live in the second Heaven, the Holy Place.

She teaches about the seven Heavens and the seven Rays. She loves the "Christed flame" but removes the true Christ's Cross. No need for salvation - that'll all get worked out after you die. Jezebel loves mingling New Age seeds with the holy seed of God.

She teaches that today's Jewish people do not need the new covenant of Jesus Christ. They do not need to drink of His new wine. The wine of Moses is enough. So she requires Christians respect Jewish leaders and withhold the urge to evangelize – in fact, don't even say His name. She's determined to outlaw converting Jews to Christianity. Meanwhile, Pharisees urinate on Church walls and conceal the fact that they consider Christians their "brother", Esau, the one God hates.

She teaches that Noah gave us seven laws. And for the good of all mankind, she wants the world to install them.

She teaches that we should submit to her government, any time, under any circumstances. Never resist.

She teaches humanism. She wants us to be inclusive and apologetic.

She teaches that we all have a personal truth. There is no more delineation of right and wrong. If you identify as a monkey? That's your truth. And we all need to change our ways to accept, and incorporate your truth. We should even criminalize disagreement with your monkey truth.

Jezebel is insane. And she hates Jesus Christ. Just read her talmud.

There's so much more...

She tells us to never have an altar call or raise up a cross. Those are old fashioned, unnecessary and offensive now.

She wants us all online and never gathering in person. She'd rather we text than talk. Voice to voice is intimacy. She can't have that.

She'd like to remove your identity and cover your face for the greater good. In fact, she mandates it.

She'd love you to read obscure, mystical books. She'd like you to know that the devil had sex with Eve. And Adam.

Jezebel is a perverse devil. She loves to teach that demons procreate with mankind, uprooting the miracle of the overshadowing of Father's Holy Spirit. (Although, the demonic realm *can* sexually stimulate.) Her perversity reaches beyond humans. She's Frankensteined science, incorporating the animals too. She's queen of the hybrid, as laboratories around the world try desperately to make her chimeric dreams come true.

She has millions of lies to tell. To her, perfection is a dirty word and power and tongues were only for Pentecost. There's no hope in her teaching. But it sounds humble. Well, it's not. It's prideful and it's deception and it's not the Word of God.

Tongues; no tongues; out loud tongues; baptism with the Holy Spirit included with Salvation; twice; more; continual infilling; pray quietly; no emotion; laughter; keep your hands folded; once saved always saved; rapture; no rapture; pre-trib; mid-trib; post-trib; seven year tribulation; no seven year tribulation; worship on Sunday; worship on Saturday; kneel, sit, stand; holiness; legalism... Compromise! Divisions! It's all unclean meat which brings infirmity when digested.

The divisions are infinite and we're exhausted. We've gotten to the place that Pastors now just say that doctrine is not important. Apparently nothing is important any more. Who cares if the devil proclaims the second Heaven as his? Who cares about seeing in the Spirit and discovering the Kingdom of God? Just show up and serve. Stay away from doctrine. The Pastor has a book he wants to sell and an itinerary he needs to fly off to. She needs you to donate your time to his vision.

We've eaten Jezebel's unclean meat for so long it's gotten us sick. Our structure, our one hour service with three songs, announcements, a powerpoint, and an offering is all we need. We have been constrained from a true encounter with the Living God! Pastors send the sheep home to encounter the Lord on their own. Apparently, it's too time consuming and distracting from Sunday Service.

Why is there very little manifested power of God in the Western Church? Why are the prophets of God getting sick and dying? Why are the Sheep? Why are we battling pornography and addiction? And why are we unable to hear and make changes?

It seems our eyes need to be opened. Our Savior's eyes are.

I want to see according to His vision. I want to know what is causing this look in His eye. Just how is this generation walking in idolatry?

Let's keep looking...

Idolatry

Good for nothing; image; carve; fabricate; fashion; to worry; pain; anger; grieve; be sorry; hurt; vex; image-sacrifice; a view; appearance; shape; to see; knowledge; perceive; understand

There is a lot to uncover and learn about idolatry. There is absolutely no way that we are the only generation on the earth that does not worship idols. Maybe we don't melt our gold chains and literally build a calf, but we do have our idols. And if we're not careful, that idolatry will separate us from our full heritage and completeness in the Lord.

It's not a big surprise to see that idolatry is good for nothing. But it's also vanity. Sounds like Jezebel. Let's keep going because something is going to unfold here.

Vanity and Image. Carving out for ourselves our own image. Sitting in the right seats, having our names on lists at the doors of huge events, getting the most subscribers, likes and shares on YouTube, FaceBook and Twitter... we Christians are carving out our own images and can be found in the green rooms and special Livestreams of ministries around the world. Oh, the woe of attaining to today's Christian celebrity status.

Whether it's the hot pursuit of sophistication, or the need to represent a certain amount of knowledge, or a position of great spiritual authority, it's all for our image. And if we are overlooked and not rewarded by man? We're hurt, angry, and worry we're not seen as special.

But there's another image Christians carve. My Jesus. My Jesus is only love. My Jesus is Black. My Jesus is White. Jesus is only mad... He's only judgment. Jesus is either riding on chocolate roller coasters and pouring coffee for His people, or He's furious with everybody. The Way, The Truth, The Life is utterly unknown because we are so busy speaking for Him or working for Him that we haven't pressed into the Spirit to get to know Him for who He really is. Or we're languishing. We struggle to get off the couch and find strength to carry on. We become failures. We've lost our vision and gotten sick. (This is the revelation of Delilah – another book for another day.)

Our mindsets and religious ways have blinded us. They've kept us from seeing clearly. We've not removed the plank of fallen nature from our eye.

So, truthfully, we've all, at some point in our lives, committed adultery through idolatry. I know, because He's shared some difficult things with me about me. Here's one account.

One day in prayer a long time ago, I was on my knees in my room, like I have done for years. The night before, my husband had given me a ring. (Too long a story to tell here - totally supernatural - but I was in the midst of receiving deliverance from a mindset of inferiority.) Anyway, I was in worship with my hands raised and I could feel the new, London Blue topaz on my hand. I looked up at the ring and I was suddenly filled inside my being with revelation from the Lord. He spoke... *When you were young, people said to you, "Be quiet, you're stupid. You shouldn't speak." "You're ugly." When you got older you said to yourself, "I'm not smart. I shouldn't speak." "I'm ugly." You took the devil's words and made them your own as though they were your own thoughts. The devil's words are anointed with death and destruction, just like My words are anointed with My Spirit and life. When you agree with the devil's words, you are becoming one with him, just like when you agree with My words, you are becoming one with Me. You have committed spiritual adultery.*

I was instantly disgusted. I knew the Lord was sharing truth with me, so I received His words immediately. Then He continued, but this time it was with a vision.

*I saw myself in a jail cell, almost like a bird cage. **The words the devil told me about me put me there.** A demon stood outside the cell. Jesus walked up and opened the jail cell door - which was not locked - I was never truly locked inside. He reached in and brought me out and took the demon and put him in the cage.*

I knew He was taking captivity captive. From that moment on, I began to be aware of the enemy's thoughts in my mind and I began to refuse the words of darkness. The Lord started teaching me about taking thoughts captive and casting down vain imaginations.

The devil hates me. He hates you too.

I used to think he only hated the Lord. But, now I know he hates us. Because he has been supplanted. We have his place in Heaven now. *We* are true worship. *We* are high above the firmament in the blue. The place he lost, we gained. So, yes, he hates us. He hates sons.

Finally, before we leave the idolatry issue, let's look at one last thing. Our perception. Our understanding... "The way I see things," "From my perspective."

It's our understanding that snares us, our knowledge (or lack of it) and our own personal perception that is at the root of this generation's idolatry. Our views, or the way we see things is the counterfeit to the beautiful, perfection of the image of God, to whom we are to be conformed.

Unfortunately, we lack true understanding and we suffer an infirm perspective, because at the root of how we hear and see things is our pain.

How do we grasp and believe we are to be transformed into the image of the Son if we have no real idea of what that is? We can't trust Hollywood to show us who Jesus Christ, the son of God, is. They'll show us a nice man wearing sandals who had power to heal and was real wise; a man who could answer questions with parables and never got mad or sad except once or twice.

Maybe we're not transformed into His image because we can't relate to what that means. What is the image of Christ? I can only share some of what I've come to know through my own intimate relationship with Him. I did not learn this through man. I learned it from Him personally.

He is King of Heaven and of all the nations and men on Earth. And He operates with the nobility and stature and maturity of a Man who knows who He is but doesn't flaunt it. He carries Himself with awesome authority, but walks in inconceivable mercy. Jesus has tremendously deep emotions, feeling with every fiber of His being. He doesn't typically yell and shout with fervor, but He fervently *travails* - His heart ever toward all people.

He is so incredibly integrity filled that He cannot even think the thought of telling a lie. He is so just that He allows pain and suffering with His dearest friends and followers. He is so holy that He withholds His true glory in many if not most circumstances.

He is extremely affectionate.

He is so mighty that darkness has not one ounce of power over Him at all. He exudes humility. You have to seek *Him* before you can really know Him. He said to me once, "People have as much of God as they want."

He rarely shows off in outward ways to thrill man, although He does reveal mighty signs in the Heavens. But He also reveals Himself in beautiful intimate whispers.

His is the only image we should be seeking. Being transformed into the image of Jesus has unfortunately been such a vague subject rarely fully examined, that it has therefore not been perceived with understanding.

So we remain carnal, seeking and carving out for ourselves our own image of Him, justifying our choices of idolatry because it's all we really know or understand. What a shame and a waste to live in mediocrity because we have not come to fully know Him.

Let's get back to Jezebel and our Revelation Scripture...

The Queen of Pride

Jesus said that He has given Jezebel time to repent, but she hasn't, so He'll cast her into a sickbed of death and those who commit adultery with her into great tribulation... unless we repent. I know when I read the Scripture, I think of somebody else -- definitely not me. But I'm forced to consider something...

The Hebrew word for pride means: majesty, excellency, pomp, swelling. Do we see her? It's a fruit of the flesh, a power, a spirit.

Pride caused the fall of the highest angels and continues throughout every generation to live, breathe, and perform its evil work among man. Ahab's vegetable garden has been planted right where the beautiful vineyard of our inheritance was meant to be established. Jezebel uprooted Naboth's inheritance and her fruit of pride has grown there instead.

Have we ever been tempted to believe we were something higher or greater or perhaps had utmost authority on a subject or issue? Have we ever needed recognition, or wanted to take credit for gifts or words or revelations or help we've given?

Have we ever enjoyed the attention? We need to repent.

Pride deafens us to the Holy Spirit. And that voice of pride lies. Pride hides and it lies. Pride tells us we have no pride. It speaks mimicking the voice of wisdom and humility. Pride's favorite tool of deception is reason. Not the noun Reason. Logic isn't a terrible thing. But our reasoning away the Spirit.

Pride's Reason blinds us in unbelief making us destitute. It's the fruit of the vegetable garden. The vineyard, however, grows the fruit of humility, who not only receives correction, but hears and believes what the Lord says, no matter how impossible the situation appears.

It is Humility who will believe that we can be transformed into the likeness of the Lord in our lives. Humility knows where he's come from and believes for where he is going. Humility is Caleb and Joshua. Pride is the other ten who did not believe.

When the Lord told Moses to send the twelve heads of the tribes to go spy out the promised land, they were in a place called the Wilderness of Paran, which is the wilderness of self-boasting. Canaan, the place the Lord wants us to dispossess is “humble self.” And a lot of “ites” live there. Fear, Self-promotion, a lot of them. Humility is able to dispossess the promised place that pride refuses to confront!

Being then made free from sin, ye became the servants of righteousness.

Romans 6:18

It is pride on the other hand who says we will always be in bondage to sin. Pride uses deceptive reasoning to control us. See? Pride tries to sound like humility and we buy it! We think we are humble! See how pride works against us? Pride calls humility pride. Get it?

When David saw Goliath, he said, ... *who [is] this uncircumcised Philistine, that he should defy the armies of the living God?*

1 Samuel 17:26b

When David's older brother, Eliab, heard David's faith, he was so angry. He said, *I know thy pride, and the naughtiness of thine heart...*

1 Samuel 17:28b

They all agreed with Eliab. All the people thought David was speaking from pride. They even accused him of having an evil heart and considered him immoral.

But the picture of humility was proclaiming his faith. Humility *believes!* Do you see how the voice of humility is heard as pride? You can literally be seen by your brothers as prideful because you believe your Father for the impossible.

Pride walks in unbelief, while humility believes.

Have you ever noticed that pride cannot *receive* and has a hard time giving? Humility willingly gives and gracefully receives.

Pride will not receive a corrective word or warning either. Oh, how it fights! It can just never, ever be wrong. It says, "I know I'm not perfect, but the other person is wrong." Ha, ha, ha... everybody hides behind, "I'm not perfect." Oh, the reasoning of pride.

Pride likes to make itself feel better, but pride has a hard time giving true encouragement. It won't share an intimate confidence and it struggles to even give a basic compliment with a sincere heart.

Pride may *say* sweet things, but its motive is flattery. Pride flatters because it's ambitious. And it wants to be accepted. Pride craves favor. So it manipulates.

Pride is a witch. Jezebel is a Narcissist. She's insane.

She tears down so that *she* can be lifted up. Pride hurts others, but in reality it also destroys the person in whose heart it is found.

And yes, it is found right there inside each one of us. It is a familiar voice we have not cast down, because we have not discerned its motives or its deception. Very much like Jezebel. Hiding behind the veil of outward innocence, we fail to recognize the truth lying within and we tolerate her.

It is a fascinating thing to see pride in Jezebel and Jezebel in pride. But we need to know. Pride hates us. Most times, for Christians, it's *spiritual* pride. And we cleave to it, deceived that it is humility while it bears the sickly fruit of Ahab's vegetable garden rather than the flourishing fruit of our Father's vineyard.

So, yes. We have eaten meat offered to idols. We have committed adultery. We have joined ourselves to her and sold ourselves. We need to be rescued from the strongholds of our minds. We need to be rescued from the teachings and prophecies and inner workings of witchcraft and pride that defy anyone to show us anything different than what we already believe.

The lunatic prideful spirit of Jezebel promotes humanism. *Live and let live. To each their own. Who cares, as long as they're happy.* And if Truth voices its opposition? Censorship. Cancellation. No fly lists. Imprisonment. Social death by shaming. Loss of the revered Non-Profit. So we remain silent. We conform.

We must stop tolerating mindsets and doctrines that came from a lunatic spirit who infiltrated the Church many ages past and with whom we have joined ourselves in matrimony, becoming one with her, taking on her yoke and bearing her perverted fruit, ever uprooting our true inheritance.

Brothers and sisters, we have an opportunity here. We can believe, repent and cast off Jezebel's false teachings and prophetic words that keep us bound into a humanistic mindset of compromise, or we can go into the tribulation that Jesus warns about. We can fall into sickbeds and death. It isn't a sweet-tasting word, I know, but it's not mine. It is the righteous and fervent jealousy of our Beloved who desires us so much that He hung on His own tree and suffocated just to have us. It's not a condemning passage, this Revelation Scripture. It's a picture of awesome True Majesty calling His Bride to see!

The Flattery of Rebellion

And, behold, there met him a woman [with] the attire of an harlot, and subtil of heart.

(She [is] loud and stubborn; her feet abide not in her house:

Now [is she] without, now in the streets, and lieth in wait at every corner.)

So she caught him, and kissed him, [and] with an impudent face said unto him,

[I have] peace offerings with me; this day have I payed my vows.

Therefore came I forth to meet thee, diligently to seek thy face, and I have found thee.

I have decked my bed with coverings of tapestry, with carved [works], with fine linen of Egypt.

I have perfumed my bed with myrrh, aloes, and cinnamon.

Come, let us take our fill of love until the morning: let us solace ourselves with loves.

For the goodman [is] not at home, he is gone a long journey:

He hath taken a bag of money with him, [and] will come home at the day appointed.

With her much fair speech she caused him to yield, with the flattering of her lips she forced him.

He goeth after her straightway, as an ox goeth to the slaughter, or as a fool to the correction of the stocks;

Till a dart strike through his liver; as a bird hasteth to the snare, and knoweth not that it [is] for his life.

Proverbs 7:10-23

Jezebel walks as a harlot in rebellion. She'll kiss you and confess that she has been diligently seeking your face. This is a direct counterfeit to the intimacy of the Lord and His Bride.

She counterfeits the Shulamite. She uses the spices that minister to the Lord. Yet, it was her enticing speech that caused him to yield. With her flattering lips she seduced him.

We really must see this seduction. Why else would we believe a lie? Baal wants us dead - spiritually and physically. Jezebel, having become one with her lord, is quite satisfied to do his work. Since we will not, out and out go after Baal, we must be seduced to turn our eyes from the Lord. So the conniving queen flatters us and uses words of love to snare us.

Her flattery typically seduces us by caressing our egos. *They are wrong. You are right. They owe you an apology. You know things they don't know. You're so special.*

You were born for greatness! I can help you make a name for yourself. You can't trust anyone but me.

Then, when a son of God partakes of her flattery and goes in to be with her, it's as an ox to slaughter. Jehu's arrow pierces the heart. Her arrow strikes the liver. See what she has done to us.

Liver means: grievous, hardened, heavy, sore from the root meaning: to be heavy; to be dim.

The more we receive those caressing strokes to our egos, the harder our hearts become to others, and to actual truth. We just refuse to hear or believe anything other than what we think we know.

There also comes a spirit of heaviness. It's so, so horrible. This sickness and soreness has afflicted the Body of Christ. Affliction is a direct result of tolerating Jezebel. She lied to us. Her dark cloud came upon us and ended up telling us terrible things. And now, no longer able to see clearly, we speak her words as our own.

The odor of her affliction can be uprooted out of us! Praise removes her work. Gratitude. Find something to be grateful for. For God's sake, go low! Say you're wrong once in a while. And mean it. Someone who can be wrong can more easily forgive being wronged. Repent for tolerating pride and partaking of Jezebel's meat. Thank the Lord, over and over. I know you don't feel like it. I know she's made your eyes dim and you can't see. So speak what you don't see. Speaking out of your mouth and declaring gratitude and praise to the Lord makes the spirit of heaviness lift. If it doesn't happen right away, keep doing it until you start to feel the cloud

dissipate. The enemy may not give you up easily, so it might take a fight, but the Lord will take your captivity captive.

He did not know it would cost him his life. Brothers and sisters, this is the sickbed and death. Her flattery only works if we like it. Why not despise it? Hating pride and flattery is a huge step toward freedom.

Break agreement with the thoughts and words of darkness that you have allowed to be raised up as strongholds in your mind, giving them access to freely rule your heart. Pluck out her arrow.

And refuse the spiritual pride of false humility and fear who tells you Goliath is too big. Nothing, nothing is too big for the Lord. Who dare to defy Him? Confess the sin of believing her. Jesus is willing to cleanse us of our afflictions!

For to be carnally minded [is] death; but to be spiritually minded [is] life and peace.

Romans 8:6

This is a spiritually discerned message. The carnal mind will resist it. There is within the Body of Christ a spiritual power that has captured minds through seduction and flattery and it has not only uprooted our inheritance through unbelief, but it has put us into sickbeds and cost many of us our lives. We have been flattered by darkness and seduced to remain carnal.

Jezebel has sown bitter seeds into our souls that have borne her children -- the perverted fruit of pride and deception of false doctrines. Now we are experiencing an epidemic of infirmity in the Church and as a result we are dying in the wilderness.

Everywhere is infirmity. Have you been to a service and the minister asks if anyone needs to be healed, stand up? Most all of us stand up. Infirmity has infiltrated our body. I'm not saying every sickness among Christians is Jezebel's work, but for those that are? I do not want another generation to have to go to their death because they are following in our footsteps. It would be nothing short of the blind leading the blind.

Where is Abraham? Where is Caleb? Where is Joshua? Where is David? Who among us will believe?!

Doth not wisdom cry? and understanding put forth her voice?

She standeth in the top of high places, by the way in the places of the paths.

She crieth at the gates, at the entry of the city, at the coming in at the doors.

Unto you, O men, I call; and my voice [is] to the sons of man.

O ye simple, understand wisdom: and, ye fools, be ye of an understanding heart.

Hear; for I will speak of excellent things; and the opening of my lips [shall be] right things.

For my mouth shall speak truth; and wickedness [is] an abomination to my lips.

All the words of my mouth [are] in righteousness; [there is] nothing froward or perverse in them.

They [are] all plain to him that understandeth, and right to them that find knowledge.

Receive my instruction, and not silver; and knowledge rather than choice gold.

For wisdom [is] better than rubies; and all the things that may be desired are not to be compared to it.

I wisdom dwell with prudence, and find out knowledge of witty inventions.

The fear of the LORD [is] to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.

Counsel [is] mine, and sound wisdom: I [am] understanding; I have strength.

By me kings reign, and princes decree justice.

By me princes rule, and nobles, [even] all the judges of the earth.

I love them that love me; and those that seek me early shall find me.

Riches and honour [are] with me; [yea], durable riches and righteousness.

My fruit [is] better than gold, yea, than fine gold; and my revenue than choice silver.

I lead in the way of righteousness, in the midst of the paths of judgment:

That I may cause those that love me to inherit substance; and I will fill their treasures.

For whoso findeth me findeth life, and shall obtain favour of the LORD.

But he that sinneth against me wrongeth his own soul: all they that hate me love death.

Proverbs 8:1-21, 35-36

Wisdom cries out!

We must come into our completeness, knowing it is Jesus Christ who will ultimately overcome her and her remaining palms, feet and skull.

Wearing a crown of thorns, His hands and feet were pierced as He was crucified for every man at Golgotha - the skull. In His flesh, He gave over His own head, hands and feet to redeem us from Jezebel's. But what He did next is what truly set us free from every work of darkness... our own sin; the bondage of Pharaoh; Jezebel; Babylon; and the Beast. He rose from the dead and now lives forever as Deliverer Redeemer King, making intercession for us.

And He *will* judge her. Furiously... like Jehu. The Lord is He!

For our part... We dwell in the secret place of the Most High God and abide under the shadow of the Almighty and partake of the Bread of Life by consuming His Word. He will cause us to become one flesh with it. One Spirit. We apply His Word and His ways to our lives, and in full agreement with His DNA, we come to know and believe what He says about His Kingdom and ourselves as His sons and we utter it and live by it.

As citizens of His Kingdom, we refuse to tolerate Jezebel's false doctrine and we shut down the perversion of the Truth. We repent for believing the lie which is powerful in tearing down the deception of darkness. And if we don't know the truth, we seek Him, His Kingdom and His righteousness and find it. We show ourselves approved. We don't believe something just because someone said it.

And, as our lifestyle, we worship Him in spirit and in truth.

We take captive the thoughts of contradiction to the Word of God. We stop believing the things we do see, and we start believing the things we don't see. And then it is up to the Lord. He sows into us and He will cause us to flourish.

This is *my* vineyard of life. The inheritance of my Father. And I'm not selling.

His Reward is with Him

And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: And he shall rule them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father. And I will give him the morning star.

Revelation 2:26-28

He says He will give us power over the nations. And He promises the Morning Star.

He is being faithful to do that as He has begun to open the Heavens and reveal Himself as the Father of Lights. I know some ministers mock the whole “open Heavens” thing. But when Jesus ascended, He pierced the atmosphere and made a highway for us. Ascension is only discussed in New Age circles, but ascension is a Christian ability! Not in the way that witchcraft teaches, but there is life in the Spirit that causes us to know our home, the place He’s given us.

Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) And hath raised [us] up together; (awaken; lift up) and made [us] sit together in heavenly [places] in Christ Jesus:

Ephesians 2:5-6

But ye are come (I come up to; approach; draw near) unto mount Sion, and unto the city of the living God, the heavenly Jerusalem, and to an innumerable company of angels, To the general assembly and church of the firstborn, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect, And to Jesus the mediator of the new covenant, and to the blood of sprinkling, that speaketh better things than [that of] Abel.

Hebrews 12: 22-24

We are come? I come up? I approach? The great awakening is to follow our High Priest of the Melchizedek Priesthood, the Lord Jesus Christ, across the Jordan of the firmament. We know there is an atmospheric river in the natural. What of the Spirit?

For sure, I don't know what everything He has for us looks like. But I *am* saying, "Yes, Lord." I want Him. I want everything *He* fashioned for me. Even if it's only a glimpse... a rare moment... a baby pearl, I'll take it.

And I reject and break agreement with the lies the devil prophesies and teaches. I divorce myself from Jezebel.

Not my will, but His will be done in me, on this Earth as it is in Heaven. Amen.

He that hath an ear, let him hear what the Spirit saith unto the churches.

Revelation 2:29

The Song of Moses

And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God.

And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, [and] over the number of his name, stand on the sea of glass, having the harps of God.

And they sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and marvellous [are] thy works, Lord God Almighty; just and TRUE [are] thy ways, thou King of saints.

Who shall not fear thee, O Lord, and glorify thy name? for [thou] only [art] holy: for all nations shall come and worship before thee; for thy judgments are made manifest.

Revelation 15:1-4

It's interesting that the song of Moses is sung in the Book of Revelation (Apocalypse). The earth-shattering manifestation of God, the Lord Jesus Christ, on our planet, *is* the apocalypse. He came, burning through the Heavens to destroy the works of the devil.

A fire goeth before him, and burneth up his enemies round about. His lightnings enlightened the world: the earth saw, and trembled.

Psalm 97:3

Jesus, Son of Man, came in utter meekness, but *never* underestimate the intensity of the Spiritual power that burst through the waters of the Firmament that night. Never underestimate His strength or His might or His power as God, to bring down satanic tyranny, whether it be demonic oppression of a person, or demonic oppression of a nation, or even the world. Jesus Christ is not inadequate or incapable or unwilling.

One time, in prayer, the Lord spoke clearly and asked me, *Why haven't you ever prayed to take down the CCP (Chinese Communist Party)?* I was stunned. I guess I thought it wasn't my place.

Maybe it seemed too big -- impossible even. It had never occurred to me to pray with that intent and I had never heard anyone else pray that way either. At Church, when we pray over the nations, we pray blessing on everybody, which is really good. Jesus taught His people to bless those that curse us and to pray for our enemies.

But there are moments in time that we enter into another type of prayer. A deliverance prayer. That's the kind of prayer that Moses knew.

Moses, himself, was drawn out by intercession. It was a time that the Israelite midwives were ordered by an edict of Pharaoh, to kill all male babies at childbirth. But Moses was defiantly drawn out of the waters of his mother's womb and kept alive by one of the two midwives (intercessors), Shiphrah and Puah - glitter and glisten - before he was ever drawn out of the waters of the River. It was in his DNA to draw out the Lord's people from captivity.

Yet, even when the captives finally walked out their freedom, the enemy chased down his slaves. The devil did it with Laban and Jacob. The devil does not surrender even one slave without a fight. And when the captive one begins to add prophetic acts of liberty to his faith, the devil will hunt him down to take him back. It's why deliverance often requires an aggressive pressing in.

As it was with Jacob being delivered of Laban, so it was with the children of Israel being delivered of Pharaoh. We've gone from individual liberty to corporate liberty.

With the Red Sea, it was generational deliverance. Over four hundred years of fathers finally getting free. When the waters raged against Pharaoh's army to finally destroy the devil's ownership, the generations were sanctified and healed. The baptism made them clean. So Moses sang (Exodus 15:1-19).

And his song will be sung again because the Red Sea deliverance was a prophetic type of what the end time saints will walk through.

*And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God. And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark **sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and***

marvellous [are] thy works, Lord God Almighty; just and TRUE [are] thy ways, thou King of saints (emphasis mine).

Revelation 15:1-3

Isn't it interesting that both recordings of this song are in the fifteenth chapter? It's like the Lord supernaturally connected them. In both Scriptures, the song of Moses speaks of the sea and the Lord overcoming the enemy...

Then sang Moses and the children of Israel this song unto the LORD, and spake, saying, I will sing unto the LORD, for he hath triumphed gloriously: the horse and his rider hath he thrown into the sea.

Exodus 15:1

And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, [and] over the number of his name, stand on the sea of glass, having the harps of God. And they sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and marvellous [are] thy works, Lord God Almighty; just and TRUE [are] thy ways, thou King of saints.

Revelation 15:2-3

Getting victory over Pharaoh, the ruthless master of the Lord's people in Egypt, is a picture of the end days when the Lord's people will get the victory over the beast, his image and his mark.

Pharaoh, that great house of Cabal, tyrannically attempts to reign over the world as the spirit of the world... Egypt, which is why the Book of Revelation says that Jerusalem is spiritually called Sodom and Egypt. The spirit of the world will ultimately rule the world from Jerusalem. The spirit of Pharaoh is/will be there.

The song of Moses reveals to us the heart of the enemy - Pharaoh, the Beast... and Jezebel.

The enemy said, I will pursue, I will overtake, I will divide the spoil; my lust shall be satisfied upon them; I will draw my sword, my hand shall destroy them.

Exodus 15:9

He lusts. Soul, life, desire, appetite, passion, emotion. From the root breath. He lives and breathes to destroy us. He tells it to himself all the time. He wants every single thing that is yours. What you own? He has an insatiable appetite to take it. The revelation of who you are? He's consumed with an unearthly passion to destroy it. Slaves are nobody. They own nothing. Slaves are only oxen that labor for the owner. They are useless eaters.

So this is war.

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Revelation 13:7

No matter how bad it gets... and eventually it's going to get really, really bad, we have to remember our mighty Deliverer!

The LORD [is] a man of war: the LORD [is] his name.

(From the Song of Moses) Exodus 15:3

Jehu walks in this revelation. And the Lord is beckoning our generation to walk in this knowledge. A generation is an age or a cycle, and a *dwelling*. The generation of the indwelling of the Holy Spirit through our new birth will not pass away until all things are fulfilled (Matthew 24:34).

But our maturity into the understanding of His Word and the times and seasons is not going to come casually as we go about our lives like nothing's happening. Like it happened in the days of Noah. The literal removal of all mankind was at the door and everyone (except eight souls) were buying and selling and getting married like life would go on as is forever.

There is a New World Order depopulation agenda, and yes, it's a conspiracy, like most things happening under a Pharaoh rule of divination and domination. He really wants the whole earth for himself. So...

We must come into the maturity of our sonship.

Jesus increased (to drive forward by beating the breast) in wisdom, stature (maturity) and favor with God and man.

Luke 2:52

Jesus did not passively grow in maturity, nor did it just kind of happen while He was building furniture. He pressed into His maturity, His wisdom, His favor. Those who supplicate by crying out to God, travailing for change, know this kind of beating the breast, this advancing.

We first receive Jehu's arrow to pierce the heart of our own understanding -- allow unclean doctrine of a cultic demon god to be torn down from within us -- then we are able to furiously ride to pierce the heart of understanding of his reigning apostate message.

Whether today's darkness is known as Jezebel, or Pharaoh, or Baphomet or Saturn. Assyria, Tyre, Babylon, Edom or Egypt. Druidism, Noahidism, Enochianism, Luciferianism. Fascism, Communism or Neo-Feudalist Technocracy, it's all the devil. And never ever forget what our Lord said about him.

For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

I will ascend above the heights of the clouds; I will be like the most High.

Yet thou shalt be brought down to hell, to the sides of the pit.

They that see thee shall narrowly look upon thee, [and] consider thee, [saying, Is] this the man that made the earth to tremble, that did shake kingdoms;

[That] made the world as a wilderness, and destroyed the cities thereof; [that] opened not the house of his prisoners?

All the kings of the nations, [even] all of them, lie in glory, every one in his own house.

But thou art cast out of thy grave like an abominable branch, [and as] the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet.

Thou shalt not be joined with them in burial, because thou hast destroyed thy land, [and] slain thy people: the seed of evildoers shall never be renowned.

Prepare slaughter for his children for the iniquity of their fathers; that they do not rise, nor possess the land, nor fill the face of the world with cities.

For I will rise up against them, saith the LORD of hosts, and cut off from Babylon the name, and remnant, and son, and nephew, saith the LORD. I will also make it a possession for the bittern, and pools of water: and I will sweep it with the besom of destruction, saith the LORD of hosts.

Isaiah 14:13-23

Epilogue

I wrote most of this book a long time ago and when I tried one time to publish it, the well-known publishing company said they would not publish someone who says that God speaks to them. I was in prayer when I got the call of rejection. When I hung up the phone, I went back into prayer and asked the Lord, “What do I do?” He said, *Keep writing*. Ha, ha, ha... that sounds like Him, huh? So I did. I wrote a few more books.

It’s now 2021 and I have some things to add here as an addendum. I want to be clear about the spirit of Jezebel, because I see her manipulating and divining to reign over the whole Earth. She’s censoring and suppressing truth. She’s canceling opposition. She wants to be king of the World and those whom she’s not able to kill off, she plans to enslave.

So, by now, we’ve figured out that she’s androgynous. She’s queen, many times not only working through women, but men. And her true agenda is to be king.

She’s also a three braided cord.

- 1) She's narcissism which masquerades as compassionate truth, but is in fact, feigned humanistic, self-promoting virtue-signaling, ambitious gaslighting coercion.
- 2) She’s witchcraft operating with a tyrannical false authority, conjuring utter manipulation and control using propaganda lies, and accusational slander to tear down, wear out and murder.
- 3) She’s a lunatic; a deaf and dumb spirit. That’s why it is so hard to get through to those under her spell. Deafening, she just will not allow her slaves to hear truth or even logic. Rather she sees to it that Truth is silenced. In fact, it’s *her insanity* that is the profoundly perverse delusional lie. It’s in her doctrine and her humanistic administration of political correctness. She claims the perverse as sound. And the sane as unsound. And her feverish lashing is thrust upon any form of disagreement. As master, owner, ruler, she demands the harshest of punishments be inflicted on anyone daring to refuse to conform.

The dark clouds of her pride, witchcraft and insanity have now gathered and are beginning to seep into the atmosphere of the whole earth.

So...

Jezebel has made her big move. She's come out of the shadows. Her blood is no longer silently waiting. A quiet coup has occurred in America. And a global one is taking place as we speak.

She's gathered a great army of her own nobles and elders with her this time. Her ancient sorceries have morphed into a Luciferian brotherhood that has extended the roots of its demonic tree into virtually every area of life, dominating our world's economies, governments, media, and religions... The Society of Jesus vies to oversee. With the Protocols of the Learned Elders of Zion as well as other Freemason writings as a foundational agenda, a foul priesthood and a not-so-secret satanic brotherhood attempts to create the globe's chaos so that it may also provide its order. This order will be established as a hybrid of Communism and Intellectual Humanism -- Global Ethics -- which, for the greater good, will eventually attempt to remove Christianity and instead, install Noahide Laws and courts.

The ultimate vision? Feudalism. Lords and Surfs. And the net has been spread.

Massive galactic surveillance, bio-chemical warfare and weather warfare have long been underway and will only increase. Transhumanism will eventually insist on the global uplink of mankind, and together with creations of crossbreed hybrids, will begin to diminish the Surfs' humanity. Some call it Operation Adam. It's why the phrase "Post Human Age" is gaining traction. The final mark will cause a separation of the soul from the spirit, creating a passionless and non-empathetic slave race unable to be redeemed. The devil is a soul trafficker and his mark will initiate his own end time harvest of men he attempted to make in his own image, in direct counterfeit to the end time harvest of the Lord.

Meanwhile... the perverse lords will continue to desperately strive for their own immortality via reanimation and other deranged bio-techniques.

I know... It sounds like science fiction.

I believe we're at the feet of Nebuchadnezzar's image. I believe Jesus put Jezebel in the last book of the Bible and equates her with satan because she's a prominent end time issue to deal with. He put her there because He wants to rescue His afflicted Church.

And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries (pharmakeia) were all nations deceived. And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.

Revelation 18:23-24

This is what is happening now, but never, ever forget this one thing...

*This matter [is] by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that **the most High ruleth in the kingdom of men**, and giveth it to whomsoever he will, and setteth up over it the basest (lowest) of men (emphasis mine).*

Daniel 4:17

The Most High rules in the kingdom of men.

So let's fight the good fight of faith. Let's not listen to Jezebel's narrative or go along with her agenda. Let's not shrink in fear of her tyranny. I hope that you are aware of what is really happening right now. I hope you are not afraid. I hope you know who your Deliverer is and I hope you know who you really are.

Because, you were born for such a time as this.

The boar out of the wood doth waste it, and the wild beast of the field doth devour it.

Return, we beseech thee, O God of hosts: look down from heaven, and behold, and visit this vine;

*And the vineyard which thy right hand hath planted, and the branch [that] thou madest strong
for thyself.*

[It is] burned with fire, [it is] cut down: they perish at the rebuke of thy countenance.

*Let thy hand be upon the man of thy right hand, upon the son of man [whom] thou madest strong
for thyself.*

So will not we go back from thee: quicken us, and we will call upon thy name.

Turn us again, O LORD God of hosts, cause thy face to shine; and we shall be saved.

Psalm 80:14-19
